Samuel Chase, 1805 **Indigenizing the Cold War** Sinae Hyun, 2023 The Border Patrol Police BPP of Thailand was formed as a United States CIA's paramilitary intelligence force in the early 1950s In the early 1960s changes in Thailand's political leadership and the US government's strategies for fighting the spread of communism in Southeast Asia led to a

transformation of the BPP The organization became a civic action agency supported by the US Agency for International Development and the Thai monarchy Its civic actions pinned on advancing anticommunist modernization civilian counterinsurgency and royalist nationalism soon extended from the margins to the center of Thailand and contributed to building the border of Thainess khwam pen thai The growing tension between the royalist network consisting of military and rightwing groups and the democratization movements culminated in a massacre On October 6 1976 the Village Scout a rural vigilante group that the BPP created through its civic actions and the Police Aerial Reinforcement Unit PARU a subunit of the BPP attacked peaceful protesters at Thammasat University The success of a military coup on the same day solidified the victory of the royalist network and it would continue to dominate Thai politics and society into the post Cold War era Through a study of the Border Patrol Police s transformations Indigenizing the Cold War shows how the Thai ruling elite unfailingly pursued their nation building With an introduction of the indigenization concept and an in depth analysis of postcolonial nation building this work challenges conventional Cold War studies The Cold War in Thailand was not always and only about an ideological conflict between the communist and anticommunist It was a war between the local ruling elite and the people each pushing forward their visions for constructing a new nation state The indigenization framework helps one to see the nature and impacts of the collaboration between global superpowers and the Asian local ruling elite it exposes an arrangement that took advantage of the American Cold War to legitimize and continue their authoritarian regimes

ScholarlyEditions com THE AWAKENING ANUJ BHATNAGAR, Preface The story of Lord Buddha is the most read story in the world This is one story that is beyond the boundaries of religion culture and society The story is being told and retold for almost more than two thousand and five hundred years yet what happened at that time from the birth of prince Siddhartha till he attained his Nirvana is very enigmatic Not much written evidence is available for that while lot of literature is available for what happened after Nirvana This story is just an attempt to tell the world what would have happened at that time when seen in the logical context of human boundaries This story is only upto the point when monk Gautam attains Nirvana Further attempt to tell the story after Nirvana when Gautam became Buddha will be made after the outcome of this attempt We know some stories connected with prince Siddhartha his life and these stories are scattered here and there in various books Jatakas contain the previous birth stories of Lord Buddha But there is no such consolidated book which can be ascribed to prince Siddhartha s life The author has made an attempt to collect all such stories and thread them into a garland The result is this book In the attempt some literary and fictional additions have been done But in the end the author is sure that the readers will like the storyline Kapilvastu was not a huge kingdom Its name is not included in the sixteen or twelve Mahajanpadas It clearly indicates that Kapilvastu was a small principality within the kingdom of Kosala The rulers of Kapilvastu were descendants of great Ikshavaku who was also ancestor of the rulers of Kosala It clearly means that the rulers of Kapilvastu and Kosala were related by blood And as per the tradition the throne was passed to the eldest son of the king and the younger son became vassal ruling small principalities within the kingdom owing allegiance to the king This would have happened at that time too within the kingdom of Kosala The story has been developed accordingly Kapilvastu was surrounded by Mahajanpadas and as such its polity was influenced by the neighboring kingdoms Many events happened in the neighbouring kingdoms and that had a bearing in the future of Kapilvastu and hence Siddhartha These events have also been included in this story to give the story a flow These incidences and events are of historical significance and happened around the same time though the interpretation of these events is of author s own Some texts point out to the fact that Siddhartha was married to Yashodhara a princess from the neighbouring kingdom of Koliya Some texts point out that Siddhartha had three wives namely Yashodhara daughter of Dandapani Mrigdja daughter of Kinkinishwar and Gopa daughter of Kanika It is not sure which one is the right fact In this book Siddhartha is shown to be married only to Yashodhara as the Shakyas wanted to preserve their lineage hence marriage within community was allowed Also one man one woman formula was propagated Thus it would have been not possible for Siddhath to marry three girls The purity of Shakya race was declared by the Buddha himself in Ambattha Sutta The predictions of sage Asit were not told to Prince Siddhartha till this was finally revealed to him All through his life as a prince Siddhartha was kept away from four signs sage Asit told an old decrepit man a diseased man a dead man and a monk In this story it is emphasized that king Shuddhodan had forbidden presence of anybody who could remind Siddhartha about these signs Siddhartha virtually grew in controls of the palace This

is author's idea to develop the story forward. The author is of belief that Buddhism was born after Buddha i.e. after Siddhartha attained nirvana. Before Buddhism there was Vedic religion and the Vedic philosophy. The same concept is used in this book to show what Siddhartha was taught by his teachers Master Arada Kalama and Master Udrak Ramputra. Arada is depicted as an exponent of Raj Yoga techniques whereas Udrak is depicted as master of Hatha Yoga techniques. Siddhartha learnt both these techniques under these masters. This can be seen in the various teachings of Lord Buddha. In the Heart Sutta Buddha explains about emptiness and form. This is nothing but something that can be explained and attained through combination of Raj yoga, Hatha Yoga and Laya Yoga. The author would like to mention that the philosophy depicted in the book has been told to him by his guru Shri Shri Shibendu Lahiri and sometimes it is verbatim. And what has been given in the book is just a drop in the ocean. There is much more to learn from him. In the book an attempt is made to describe the psychology of Prince Devdatt, his extreme hatred for Siddhartha and why he hated Siddhartha. Due to this hatred only Devdatt tried many times to kill Prince Siddhartha. Then Lord Buddha, after Siddhartha attained nirvana, till Siddhartha was born, Devdatt was heir apparent to the throne of Kapilvastu. He was eldest in the entire family for four brothers: Shuddhodan, Shuklodan, Amritodan and Dronodan. Shuddhodan's wife Queen Mayadevi could not conceive for almost twenty years after their marriage. Though there is no concrete evidence to say that yet it is widely perceived to be like this only. In some texts Devdatt is the son of Suprabuddha of Devdaha. In the end of this preface the entire genealogy of Lord Buddha, whichever the author could gather, is presented for ready reference. And after Siddhartha was born and he became the heir to the throne of Kapilvastu, being elder son of the king, this incidence and many more such incidences where Siddhartha was given preference over other princes due to the stories associated with his birth cemented Devdatt's resolution to get rid of Siddhartha. Readers will not find story of Devdatt out of context in this book. In the concluding part of book the Maara is shown to take a human form. Though this is not possible for the negativity to take a form but it was essential to depict the fight monk Gautam had undergone with himself with his own negativity. Only after defeat of his negativity he could attain nirvana. Everybody has to fight with his Maara one day or the other but the fight monk Gautam had with his Maara shows how the negativity sometimes controls the thoughts of even profound persons like monk Gautam. The author is sure that readers would like the depiction of fight between Gautam and his negativity. In order to take the story forward the protagonist should always have some companion to express his mind. Thus the protagonist of this story Siddhartha and later Gautam is shown always in company of somebody: Channa, Yashodhara or Kondinya. Actually Kondinya may not have met Gautam during his travel to Vaishali but it is shown just to carry the story forward. The story contains many words which are not from English language but from Sanskrit or Pali or Hindi. These words are in italics and their meaning is in the other chapter after preface. These words are used as they explain the situation better than any phrase or word in English. In the end it is hoped that this attempt by the author will be appreciated by the readers. This story should be read as story and not as an attempt to rewrite history. Many incidences

and characters may not fall in line with the thinking of people having knowledge about Buddhism This is a work of fiction and should be taken likewise However author welcomes the comments from the readers The Friends' Library William Evans, Thomas Evans, 1840 **InfoWorld** ,1988-08-01 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects
