NFL Football Richard C. Crepeau,2020-09-14 The new NFL Centennial Edition A multi billion dollar entertainment empire the

National Football League is a coast to coast obsession that borders on religion and dominates our sports mad culture But today s NFL also provides a stage for playing out important issues roiling American society The updated and expanded edition of NFL Football observes the league s centennial by following the NFL into the twenty first century where off the field concerns compete with touchdowns and goal line stands for headlines Richard Crepeau delves into the history of the league and breaks down the new era with an in depth look at the controversies and dramas swirling around pro football today Tensions between players and Commissioner Roger Goodell over collusion drug policies and revenue The firestorm surrounding Colin Kaepernick and protests of police violence and inequality Andrew Luck and others choosing early retirement over the threat to their long term health Paul Tagliabue s role in covering up information on concussions The Super Bowl s evolution into a national holiday Authoritative and up to the minute NFL Football continues the epic American success story

Religion and Sport in North America Jeffrey Scholes, Randall Balmer, 2022-09-13 From athletes praising God to pastors using sport metaphors in the pulpit the association between sport and religion in North America is often considered incidental Yet religion and sport have been tightly intertwined for millennia and continue to inform shape and critique one another Moreover sport rather than being a solely secular activity is one of the most important sites for debates over gender race capitalism the media and civil religion Traditionally scholarly writings on religion and sport have focused on the question of whether sport is a religion using historical philosophical theological and sociological insights to argue this matter While these efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race religion and gender religion and politics and sport in general

Hijacking America Joe McHugh, 2022-08-01 Hijacking America Liberty Strikes Back is the true story of a Marine Corps Officer fighting for freedom from the unconstitutional actions of his own government The government wrongly suspected that Joe McHugh had stolen information related to 9 11 being an inside job and they were going to prevent the truth from coming to light by any means necessary In the seven years that followed his separation from the Marine Corps McHugh learned the tricks of surveillance and entrapment from those keeping tabs on him the unsettling truth of democracy in America that our rights are a lie under the secret FISA court system and the USA PATRIOT Act and how to restore liberty in America by ending the Fed and going green instead with a credit union McHugh takes you from the plane strikes on September 11 through his service as a Marine and survival effort following through the peak of obstruction and entrapment in Puerto Rico If you re interested in liberty America our Constitution the means by which our unconstitutional government maintains the surveillance state and how to reverse it then this is the book for you Let every
