Television Violence P. T. Kelly, 1999 If one culprit is suspected above all others for encouraging society to become more violent and unfeeling it is television This medium which has become so pervasive in the last 50 years seems to play an enormous role in the lives of the vast majority of people But who controls the content which exerts such an enormous influence and to an extent controls the people What are they doing now and what will they be doing tomorrow Is violence essential to sell toothpaste and hamburgers What are our children becoming and what will their children be like Will every child carry a gun or other weapon just waiting for someone to trigger their violent nature and ignite their preprogrammed anger

American National Pastimes - A History Mark Dyreson, Jaime Schultz, 2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation

symbolized by its sports. These wide-ranging essays analyze the claims of particular sports to national pastime status from horse racing, hunting, and prize fighting in early American history to baseball, basketball, and football more than two centuries later. These essays also investigate the legal, political, economic, and culture patterns and the gender, ethnic, racial, and class dynamics of national pastimes, connecting sport to broader historical themes. *American National Pastimes* chronicles how and why the USA has used sport to define and debate the contours of nation. This book was published as a special issue of the *International Journal of the History of Sport*.
