E-commerce Food and Agriculture Organization of the United Nations,2023-10-18 This guide highlights some of the key challenges that national plant protection organizations NPPOs face in managing the pest risk associated with e commerce trade where small parcels containing plants plant products and other regulated articles are ordered online and distributed internationally through postal and courier pathways It provides practical guidance for improving cooperation and collaboration with key stakeholders involved in e commerce supply chains including national customs administrations postal operators courier services e commerce platforms and marketplaces and the general public The guide also highlights pre border and border activities including risk based phytosanitary inspection that NPPOs may use to help mitigate pest risk on postal and courier pathways how to identify and respond to non compliance and the importance of monitoring regulated articles moving on postal and courier pathways in order to respond to new technologies and trends Case studies are provided from around the world highlighting some of the risks to plant health associated with e commerce trade and the innovative approaches being taken by NPPOs to address these risks No Red Lights Alan J. Patricof,2022-05-03 As featured in The Wall Street Journal One of Business Insider s 5 Best Leadership Books I Read This Year for 2022 A look back at entrepreneurial growth and venture capital in the last half century by one of the leading figures in the industry Extensive media and online coverage of the business arena news of start ups mergers and deals are familiar headlines these days But

that wasn't always the case. The early years of venture capital were a far cry from today's very public dealings. Alan Patricof, one of the pioneers of the venture arena, offers a behind-the-scenes look at the past fifty years of the industry. From buying stock in Apple when its market valuation was only 60 million to founding New York Magazine to investing in AOL, Audible, and more recently Axios, his discerning approach to finding companies is almost peerless. All of Patricof's investments, from Xerox to Venmo, share certain qualities: Each company had sound product with wide appeal, the economics were solid, and the management team was talented and committed to seeing their visions come to fruition.

Fintech Wars James da Costa, 2024-10-03. Fintech touches every part of our lives, from cashless economies to crypto and even our climate. This book draws back the curtain on this fascinating world full of friction, failure, and fortune. *Fintech Wars* delves into one of the world's most lucrative and fast-growing sectors. Witness the bold strategies, groundbreaking innovations, and relentless drive that propelled fintech unicorns like PayPal, Nubank, and Monzo to transform the world. Featuring interviews with generational founders including Reid Hoffman, LinkedIn, Nigel Morris, Capital One, and Martha Lane Fox, Lastminute.com. The narrators of this book have built companies that represent over one trillion dollars in market capitalization. As the founder of a digital bank, James da Costa is a fintech insider. He draws upon his network and first-hand experiences to offer a fascinating look into the intricacies and motivations behind building billion-dollar disruptors. Step into the fascinating, unpredictable, and inspiring world of fintech.

Disruptive Fintech James Deitch, 2019-12-16. Throughout history, innovators have disrupted existing financial services norms to change the landscape of the marketplace. *Disruptive Fintech* briefly traces fractional reserves, the creation of bank currency that traded at a premium to bullion value, central bank regulation, securitization of assets and loans, the current state of digital currency, and electronic payments. The author then looks toward the future of fintech and the forces of disruption that will change the landscape of financial life as we know it. Using over 100 interviews with thought-leading CEOs, this book develops a methodology to identify financial services that are ripe for innovation and discusses how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models. The book discusses how to relate historical innovations and disruptions in financial services to the current landscape. How to follow a process to identify the threats facing incumbent processes and businesses, and how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models. How many fintech innovations will be constructed by re-arranging or re-purposing existing core processes. In this insightful book, author James Deitch, CPA, CMB, argues that some of today's high-flying fintech innovators will flourish, but many may perish as the fire of innovation consumes those fintechs that are slow to monetize their promises.

The Housewife Assassin's Gambit Josie Brown, 2023-06-30. IN BOOK 23 OF THE HOUSEWIFE ASSASSIN SERIES. Donna and Jack Craig are on an around-the-world mission to retrieve nine digital directories listing names of intelligence operatives, one belonging to the United States, the other eight belonging to its allies and enemies, as they are sold by the highest bidder by an anonymous terrorist. At the same

time Jack thinks he has reasons to question Donna's love for him Will saving their country cost the Craigs their marriage

PRAISE FOR THE HOUSEWIFE ASSASSIN NOVELS Brown's unorthodox surprises did make me laugh I taught it in a class about comic novels Jane Smiley This book hits all the right notes I now want a week at the beach to read them all I'm completely smitten Barbara Vey

READERS LOVE THE HOUSEWIFE ASSASSIN SERIES TOO Brown's writing is vivid concise and humorous At the same time she manages to convey the seriousness of the situations that the Craigs and Acme find themselves in I hated all the right characters believed every bit of the situations presented and most of all loved Donna and her family Love the details that Josie adds to her series I learn so much and often come away feeling as if I was right there immersed into the plots and deeds Love my Josie Brown domestic thriller novels Five stars and love Another amazing suspense that kept me glued to the book For the twentieth time with this series I was unable to put the romantic comedies book down from the moment I opened it I absolutely love Jack and Donna and their adventures and brushes with death Oh my heartstrings Josie Brown took them up to dizzying heights twisted them into various shapes then threw them on such a roller coaster ride that I think I may have whiplash The characters were there to love the locales vivid and exciting it almost seemed like a vacation notwithstanding the murder and espionage Thank you for another exciting Kindle thriller's read Can't wait for the next one already Love all of Josie Brown's funny mysteries books I normally read these in a day or two can't put them down Brilliant Josie has excelled herself with this romantic comedy book A gripping exciting read as always but with an additional twist Couldn't put it down
