patrons find out the hard way Ruby is a mixed martial arts pro and not one you'd want to cross. In fact Ruby would be a champion if she hadn't been forced to walk away and hide out in the Bahamas. Because Ruby knows too much. She knows where the bodies are buried. And she knows when it's time to get out of town. But what Ruby doesn't know is why there is a dead tourist in the dumpster behind her seedy bar. Or why she of all people had to find it. Or why this guy was out at 3am when he had a pretty fiancé waiting in a hotel room a mile away. Or why the local cops are pinning her. Or why she's gonna be forced into a choice: find the killer or do hard time herself. For Ruby, good choices have never been her strong point. And this one's definitely not going to be good.

In **EXTRA DIRTY Book 2**, a 40-something female tourist seeks out Ruby, desperate for her help. She was out partying all night with her friend, both of them drinking way too much and doing things they don't want their husbands to know about. The problem is, as of 12 hours ago, her friend is missing. Their husbands can't know. The cops can't know. She needs Ruby's help. And she's running out of time. Ruby, though, has enough problems of her own. Shadowy figures from her old life are getting close. Way too close. Can Ruby really play detective and take on someone else's problems? Who is this woman anyway? And what isn't she telling her? Ruby can't keep away from a bad decision. And this time it looks like won't be any exception.

In **FULL BODIED Book 3**, Ruby's known for making friends in bad places. And her newest friend, a bouncer at the brothel next door, is no exception. When he comes to her with a sob story, she can't turn away. When that story turns to a body he found this morning, Ruby sits up straighter. When it turns out that body belonged to a trafficked teenaged girl, Ruby's sense of justice is lit. Ruby's gotta solve this one for her own need to set wrongs right. Problem is, the cops don't care, and this case will surely take her to some bad places and up against some bad people. That may just include a billionaire with his own private yacht and his own private army. It's not like Ruby doesn't have an army of her own coming after her. The last thing Ruby needs right now is a two-front war. But it looks like that's exactly what she's going to get. No one said Ruby's judgement was good. Then again, if it was, she wouldn't be hiding out in the Bahamas, tending bar with a monkey on her shoulder and an enemy list a mile long.

Welcome to the Bahamian world of Ruby Steele, replete with her local dive bar, her wily pet monkey, her major drinking problem, her way too many fights, her inability to get herself out of trouble, and her fists made of stone. Ruby's life is a complete wreck. But there's one thing she's good at: capturing your heart.
