EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and uses up-to-date and topical examples. The book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes new content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services. New coverage on listening to customers through research, big data, netnography, and monitoring user-generated content. Increased technology, social media, and digital coverage throughout the text, including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies, including Turkish Airlines, Volvo, EasyJet, and McDonalds. Available with McGraw Hill's Connect, the well-established online learning platform which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency. [Amazon](#) Natalie Berg, Miya Knights, 2021-11-03 Amazon, one of the world's most valuable companies, is worth more than Walmart, Netflix, Target, Nike, and Costco combined. What are the secrets to its success? How can these insights be applied to other businesses in the e-commerce sector? The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. Amazon offers unique insight into the company's persistent dissatisfaction with the status quo and innovation, and how it has fundamentally changed the ways in which we shop. This fully updated second edition explores Amazon's response to the coronavirus pandemic, the convergence of physical and digital retail, e-commerce economics, and sustainability, as well as future policy implications. Written by industry-leading retail analysts and with the first edition now translated into more than a dozen languages, Amazon is an invaluable resource for discovering the lessons that can be learned from the company's unprecedented rise to dominance. *Build Demand Before You Deliver: Pre-Sale Blueprints That Work Every Time* Onyeka Godfrey, 2025-08-04 Why build in the dark when you can build in public with profit? This book shows you how to sell your product before it exists. Not by tricking people, but by building trust, testing interest, and proving demand upfront. You'll master pre-sale strategies that validate your idea and fund its creation. Inside, you'll find practical blueprints for email pre-launches, waitlists that convert, value-first messaging, and urgency-driven presales. You'll learn how to build momentum before delivery and how to use feedback loops to sharpen your offer before release day. If you
