The Publishers Weekly, 2009

Check & Mate Ali Hazelwood, 2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of *The Love Hypothesis* life's moving pieces bring rival chess players together in a match for the heart Mallory Greenleaf is done with chess Every move counts nowadays after the sport led to the destruction of her family four years earlier Mallory's focus is on her mom her sisters and the dead end job that keeps the lights on That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer current world champion and reigning Bad Boy of chess Nolan's loss to an unknown rookie shocks everyone What's even more confusing His desire to cross pawns again What kind of gambit is Nolan playing The smart move would be to walk away Resign Game over But Mallory's victory opens the door to sorely needed cash prizes and despite everything she can't help feeling drawn to the enigmatic strategist As she rockets up the ranks Mallory struggles to keep her family safely separated from the game that wrecked it in the first place And as her love for the sport she so desperately wanted to hate begins to rekindle Mallory quickly realizes that the games aren't only on the board the spotlight is brighter than she imagined and the competition can be fiercely attractive And intelligent and infuriating This novel is suitable for both young adult and adult audiences

Life's Garden of Weekly Wisdom Sandra Lindsey Smith, 2014-12-01 *Life's Garden of Weekly Wisdom* is a charming and delightful word garden filled with tasty bites for one's soul This garden promises to give the reader years of spiritual nourishment Each chapter explores a practical application of principle Sandy writes with clarity love and self-awareness A great book for both a spiritual seeker unfamiliar with Science of Mind principles and the spiritually mature My purpose in writing this book is to speak to those people who feel they are spiritual but don't fit into a typical church philosophy Everyone has a sense of spirituality some just haven't met it yet If you are looking for a new way to view life I invite you to check out Centers for Spiritual Living at CSL.org I also

encourage speakers ministers teachers and others to share these ideas in your own way to inspire other people To this end I invite you to explore one lesson each week by yourself or in a group I hope you enjoy reading these thoughts on spirituality as much as I enjoyed writing them *The Everything Guide to Writing Children's Books* Luke Wallin,Eva Sage Gordon,2011-01-18 Rev ed of The everything guide to writing children s books Lesley Bolton c2002 **Migration and the Education of Young People 0-19** Mabel Ann Brown,2015-11-24 Migration and the Education of Young People 0 19 investigates migration from a number of perspectives to consider the changing dynamics of society within different countries Examining the data associated with global migration by focusing on case studies from a wide range of countries it provides detailed and balanced coverage of this politically sensitive topic to explore the educational needs of migrant young people the impact of large scale migration to and from countries and the policy challenges that individual countries face when ensuring adequate provision for migrant young people within their education systems Chapters cover The reasons why people might move Social and emotional learning in Britain a tool to guard against cultural pollution Migration into a global city the economic and educational success of London Latvian people on the move and the impact on education People s movement Greece Return migration in Lithuania incoming challenges for children s education The United States Latin America immigration and education Tanzanian street children victims ordinary lives or extraordinary survivors This book explores the changing social dynamics through an extensive range of case studies and will be an essential resource for students taking undergraduate and postgraduate courses in education sociology and international relations *The New Academic Librarian* Rebeca Peacock,Jill Wurm,2014-01-07 The new essays on today s academic librarians examine above all their functions and responsibilities since these have greatly changed just in recent years especially in matters of technology These librarians essayists step away from yesterday s stereotypes and explain at length their new roles From digital resources and special collections to web development and new outreach initiatives the topics covered by the essays in this book will reassure new librarians and stimulate prospective librarians as they realize the enhanced and varied positions that are available in the 21st century academic library **Integrated Management** Robert Sroufe,2025-04-09 Building on the award winning success of the first edition Integrated Management offers Initiatives we would want to achieve regardless of their proven positive impacts on a single bottom line as they are practices that benefit the environment and society in dynamic ways that for too long have been overlooked **The Introvert Entrepreneur Deluxe** Beth Buelow,2015-11-03 In this deluxe edition listen to author Beth Buelow s interviews with entrepreneurs in a range of fields offering even more insight into how introverts can grow their businesses while staying true to themselves A practical guide to help introverts harness their natural gifts and entrepreneurial spirit Think you have to be loud and brash to be successful in business Think again The strengths and traits of the typical introvert lend themselves well to entrepreneurship as well as intrapreneurship and a range of business roles In The Introvert Entrepreneur professional coach Beth Buelow shows readers how to harness their natural gifts including

curiosity independence and a love of research and counteract their challenges such as an aversion to networking and self promotion She addresses a wide range of topics from managing fears and expectations and developing a growth mindset to networking marketing leadership skills and community building informed by interviews with introverts who have created successful businesses without compromising their core personality Filled with fresh insights and actionable advice this essential guide will support anyone who s striving to make a difference in a loud and chaotic world Capitalism, Coronavirus and War Radhika Desai,2022-12-09 Capitalism Coronavirus and War investigates the decay of neoliberal financialised capitalism as revealed in the crisis the novel coronavirus triggered but did not cause a crisis that has been deepened by the conflict over Ukraine and its repercussions across the globe Leading domestically to economic and political breakdown the pandemic accelerated the decline of the US led capitalist world s imperial power intensifying the tendency to lash out with aggression and militarism as seen in the US led West s New Cold War against China and the proxy war against Russia over Ukraine The geopolitical economy of the decay and crisis of this form of capitalism suggests that the struggle with socialism that has long shaped the fate of capitalism has reached a tipping point The author argues that mainstream and even many progressive forces take capitalism s longevity for granted misunderstand its historical dynamics and deny its formative bond with imperialism Only a theoretically and historically accurate account of capitalism s dynamics and historical trajectory which this book provides can explain its current failures and predicament It also reveals why though the pandemic by revealing capitalism s obscene inequality and shocking debility prompted the most serious critiques of capitalism to emerge in decades hopes of building back better were so quickly dashed This book sheds searching light on the dominant narratives that have normalised the neoliberal financialised capitalism and the dollar creditocracy dominating the world economy with even critics unable to link capitalism s neoliberal turn to its financialisations historical decay productive debility and international decline It contends that only by appreciating the seriousness of the crisis and rectifying our understanding of capitalism can progressive forces thwart a future of chaos and or authoritarianism and begin the long task of building socialism This book will be of great interest to students scholars and researchers of international relations international political economy comparative politics and global political sociology The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Thanks to the support of libraries working with Knowledge Unlatched www.knowledgeunlatched.org

God Loves Your Work Larry Peabody,2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God s eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read

chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it s Friday to Wonderful it s Monday again

The Mesh Lisa Gansky,2010-09-23 A simple powerful idea that s reinventing the way smart adaptive companies do business Most businesses follow the same basic formula create a product or service sell it and collect money What Lisa Gansky calls Mesh businesses throw this model out the window Instead these companies use social media wireless networks and data crunched from every available source to provide people with goods and services at the exact moment they need them without the burden and expense of owning them outright The Mesh gives companies a better understanding of what customers really want Already hundreds of successful Mesh companies are redefining how we interact with the people goods and services in our lives These businesses are easier to start and spreading like wildfire from bike sharing and home exchanges to peer to peer lending energy cooperatives and open source design Consider ZipCar profits from streamlined car sharing Kickstarter connects artists with funding from enthusiastic supporters Music Gym makes finding a recording studio as easy as joining a gym The Mesh reveals the next wave of information enabled commerce showing readers how to plug in and profit

Social Media and Library Services Lorri Mon,2022-05-31 The rise of social media technologies has created new ways to seek and share information for millions of users worldwide but also has presented new challenges for libraries in meeting users where they are within social spaces From social networking sites such as Facebook and Google and microblogging platforms such as Twitter and Tumblr to the image and video sites of YouTube Flickr Instagram and to geotagging sites such as Foursquare libraries have responded by establishing footholds within a variety of social media platforms and seeking new ways of engaging with online users in social spaces Libraries are also responding to new social review sites such as Yelp and Tripadvisor awareness sites including StumbleUpon Pinterest Goodreads and Reddit and social question and answer Q A sites such as Yahoo Answers sites which engage social media users in functions similar to traditional library content curation readers advisory information and referral and reference services Establishing a social media presence extends the library s physical manifestation into virtual space and increases the library s visibility reach and impact However beyond simply establishing a social presence for the library a greater challenge is building effective and engaging social media sites that successfully adapt a library s visibility voice and presence to the unique contexts audiences and cultures within diverse social media sites This lecture examines the research and theory on social media and libraries providing an overview of what is known and what is not yet known about libraries and social media Chapter 1 focuses on the social media environments within which libraries are establishing a presence including how social media sites differ from each other yet work together within a social ecosphere Chapter 2 examines how libraries are engaging with users across a variety of social media platforms and the extent to which libraries are involved in using these different social media platforms

as well as the activities of libraries in presenting a social self sharing information and interacting with users via social media Chapter 3 explores metrics and measures for assessing the impact of the library s activity in social media sites The book concludes with Chapter 4 on evolving directions for libraries and social media including potential implications of new and emerging technologies for libraries in social spaces Table of Contents Preface The Social Media Environment Libraries and Social Media Assessing Social Media Sites and Services Evolving Directions in Social Libraries Bibliography Author Biography
