the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along

It's Not Free Speech Michael Bérubé, Jennifer Ruth, 2022-04-26 How far does the idea of academic freedom extend to professors in an era of racial reckoning The protests of summer 2020 which were ignited by the murder of George Floyd led to long overdue reassessments of the legacy of racism and white supremacy in both American academe and cultural life more generally But while universities have been willing to rename some buildings and schools or grapple with their role in the slave trade no one has yet asked the most uncomfortable question Does academic freedom extend to racist professors It s Not Free Speech considers the ideal of academic freedom in the wake of the activism inspired by outrageous police brutality white supremacy and the MeToo movement Arguing that academic freedom must be rigorously distinguished from freedom of speech Michael B rub and Jennifer Ruth take aim at explicit defenses of colonialism and theories of white supremacy theories that have no intellectual legitimacy whatsoever Approaching this question from two angles one the question of when a professor s intramural or extramural speech calls into question his or her fitness to serve and two the question of how to manage the simmering tension between the academic freedom of faculty and the antidiscrimination initiatives of campus offices of diversity equity and inclusion they argue that the democracy destroying potential of social media makes it very difficult to uphold the traditional liberal view that the best remedy for hate speech is more speech In recent years those with traditional liberal ideals have had very limited effectiveness in responding to the resurgence of white supremacism in American life It is time B rub and Ruth write to ask whether that resurgence requires us to rethink the parameters and practices of academic freedom Touching as well on contingent faculty whose speech is often inadequately protected It s Not Free Speech insists that we reimagine shared governance to augment both academic freedom and antidiscrimination initiatives on campuses Faculty across the nation can develop protocols that account for both the new realities from the rise of social media to the decline of tenure and the old realities of long standing inequities and abuses that the classic liberal conception of academic freedom did nothing to address This book will resonate for anyone who has followed debates over MeToo Black Lives Matter Critical Race Theory and cancel culture more specifically it should have a major impact on many facets of academic life from the classroom to faculty senates to the office of the general counsel

Subscription Reviews , If Democrats Had Any Brains, They'd Be Republicans Ann Coulter, 2007-10-02 Uttering lines that send liberals into paroxysms of rage otherwise known as citing facts is the spice of life When I see the hot spittle flying from their mouths and the veins bulging and pulsing above their eyes well that s when I feel truly alive So begins If Democrats Had Any Brains They d Be Republicans Ann Coulter s funniest most devastating and yes most outrageous book to date Coulter has become the brightest star in the conservative firmament thanks to her razor sharp reasoning and biting wit Of course practically any time she opens her mouth liberal elites denounce Ann insisting that She s gone too far and hopefully predicting that this time it will bring a crashing end to her career Now you can read all the quotes that have so

outraged her enemies and so delighted her legions of fans More than just the definitive collection of Coulterisms If Democrats Had Any Brains They d Be Republicans includes dozens of brand new commentaries written by Coulter and hundreds of never before published quotations This is Ann at her best covering every topic from A to Z Here you ll read Coulter s take on Her politics As far as I m concerned I m a middle of the road moderate and the rest of you are crazy Hillary Clinton Hillary wants to be the first woman president which would also make her the first woman in a Clinton administration to sit behind the desk in the Oval Office instead of under it The environment God gave us the earth We have dominion over the plants the animals the trees God said Earth is yours Take it Rape it It s yours Religion It s become increasingly difficult to distinguish the pronouncements of the Episcopal Church from the latest Madonna video Global warming The temperature of the planet has increased about one degree Fahrenheit in the last century So imagine a summer afternoon when it s 63 degrees and the next thing you know it s 64 degrees Ahhhh Run for your lives everybody Women and children first Gun control Mass murderers apparently can t read since they are constantly shooting up gun free zones Bill Clinton Bill Clinton s library is the first one to ever feature an Adults Only section Illegal aliens I am the illegal alien of commentary I will do the jokes that no one else will do If Democrats Had Any Brains They d Be Republicans is a must have for anyone who loves or loves to hate Ann Coulter

Performing Postracialism Philip S.S. Howard,2023-02-14 Blackface instances in which non Black persons temporarily darken their skin with make up to impersonate Black people usually for fun and frequently in educational contexts constitutes a postracialist pedagogy that propagates antiblack logics In Performing Postracialism Philip S S Howard examines instances of contemporary blackface in Canada and argues that it is more than a simple matter of racial mis representation The book looks at the ostensible humour and dominant conversations around blackface arguing that they are manifestations of the particular formations of antiblackness in the Canadian nation state and its educational institutions It posits that the occurrence of blackface in universities is not incidental and outlines how educational institutions responses to blackface in Canada rely upon a motivation to protect whiteness Performing Postracialism draws from focus groups and individual interviews conducted with university students faculty administrators and Black student associations along with online articles about blackface to provide the basis for a nuanced examination of the ways that blackface is experienced by Black persons The book investigates the work done by Black students faculty and staff at universities to challenge blackface and the broader campus climate of antiblackness that generates it

Gender Linda L. Lindsey,2020-12-17 A landmark publication in the social sciences Linda Lindsey s Gender is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person s identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and

issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of Gender provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe

The Murder Mystique

Laurie Nalepa, Richard Pfefferman, 2013-02-07 Although they account for only ten percent of all murders those attributed to women seem especially likely to captivate the public This absorbing book examines why that is true and how some women literally get away with murder Combining compelling storytelling with insightful observations the book invites readers to take a close look at ten high profile killings committed by American women The work exposes the forces that underlie the public's fascination with female killers and determine why these women so often become instant celebrities Cases are paired by motive love money revenge self defense and psychopathology Through them the authors examine the appeal of women who commit murders and show how perceptions of their crimes are shaped The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print True crime aficionados will be fascinated by the minute descriptions of what happened and why while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined
