Santana is Coming to Town (Twelve Months of Romance - December) Margaret Lake, 2013-11-23 Santana Oliva's favorite holiday is Christmas and this is the first Christmas she's been home in three years. But her joy at being home turns into shock and fear when she faces the near loss of her family. As the Olivas work together to reclaim their lives, Santana realizes that if she wants it badly enough, the spirit of Christmas just might bring her the greatest gift she's ever received. January Ring Out the Old *The Voice We Find (A Fog Harbor Romance)* Nicole Deese, 2025-04-15 Two voices. One story. A chance to rewrite their future. Sophie Wilder returns home to California with nothing more than a failed Broadway career and a geriatric cat. Stuck working at the family winery with her egotistical brother and desperate for a way to revive her acting dreams, she takes a side gig as an audiobook narrator with Fog Harbor Books. But getting mixed up in the life of her reluctant sound engineer was never a part of her plans. August Tate is still reeling from taking on guardianship of his teen sister. Determined to find a solution to her degenerative hearing loss and to prevent his private recording studio from going under, he agrees to produce audiobooks part time. When Sophie breathes new life into his creativity and forms an unexpected bond with his sister, rooted in their common faith, he must confront the reasons he turned away from his own or risk losing the second chance he's only just started to believe in. *The Voice We Find* is the third book in Nicole Deese's Fog Harbor Romance Series for fans of clean faith-based stories, deaf and hard of hearing representation, workplace romance, books about books, found family, and sibling bonds. *The Redland Papers; Or, Trials of a Loving Heart. A Romance*, 1869 *Intimate Spirituality* Gordon J. Hilsman, 2007-03-05 In *Intimate Spirituality: The Catholic Way of Love and Sex*, Gordon J. Hilsman presents sexual loving as integral to rather than separate from most people's spiritual lives. His coalescing of intimate love with traditional Catholic concepts, virtues, capital sins, fruits of the Spirit, sacraments, augments the pervasively moral view of sex with a spiritual perspective that highlights its beauty and power to shape the virtue of people's lives. Seeing sexual attraction as built into humanity by the Creator to feed and challenge virtually all persons worldwide, he illustrates how intimate loving is actually a neglected aspect of Christian spirituality that has never been developed as fully as the individual and the communal. Hilsman calls upon theologians and spiritual leaders to further develop the understanding of intimate loving as a genuinely beautiful spiritual aspect of life. Many Christians, Catholics and Protestants alike, who take both their love lives and their Christian faith seriously, will find the positive, healthy view of sexuality presented in this book illuminating and helpful. So will those who counsel them. **The National Magazine; A Monthly Journal of American History**, 1888 *Monthly Labor Review* United States.
