Build Business Equity While You Sleep: Sell Value, Not Your Personal Time Simon Schroth, 2025-04-23 True business success comes when you build something that generates income even when you're not working. Build Business Equity While You Sleep teaches you how to create a business that builds value and generates passive income so you can focus on growing wealth rather than constantly trading time for money. This book shows you how to transition from a time for money business model to one that leverages assets, intellectual property, and recurring revenue. You'll learn how to create scalable offers, build a strong brand, and develop systems that keep the business running smoothly even when you're not actively involved. The book also explores how to sell your business in the future to reap the rewards of the equity you've built. If you want to create a business that generates long-term value and works for you while you sleep, Build Business Equity While You Sleep provides the strategies to build wealth and exit successfully.
