After spending seven years in Paris, Emmy is back in Sky Valley to set up her own wedding gown store and help her father, famous coffee shop owner and restaurateur Troy Byrne, with one of their coffee and pastry shops. Take for instance her good old friend Annabeth Meyer who's now getting married to her ex, Matthew Mills. It was a whirlwind romance they said and Emmy has to design her own gown for her and she has to help with the festivities too. But there are other things that Emmy has to know. There's also Audrina, her dad's assistant who seems to be a nice girl but is known to have a temper and Tripp Meyer, Annabeth's dad whom Emmy has always hated. How will they affect

Emmy's life now. And then there's Daniel, one time boyfriend and the person whom Emmy considers as the love of her life. But does he still feel the same? Or does he already have someone else? More so, what would happen now that Emmy is back? Will they be able to rekindle the fire in their relationship or has it fizzled out for good? And is there even a future for them? Emmy has no plans of staying in Sky Valley forever, but with the change of events, she knew she had to stay. Two days after marrying Matthew, Annabeth died in front of Emmy, and it's up to her to make sure that the real culprit gets caught. But how would she do that when the police think that she's one of the suspects? And how would she be able to find out who the real suspect is when it seems like the people around her have their own motives to kill Annabeth?
