It is necessary for optimal health. It is also necessary in order to lose weight safely and naturally. Low fat diets have been heavily promoted for the past three decades and as a result we are fatter now than ever before. Obviously there is something wrong with the low fat approach to weight loss. There is a better solution to the obesity epidemic and that solution is The Coconut Ketogenic Diet. This book exposes many common myths and misconceptions about fats and weight loss and explains why low fat diets don't work. It also reveals new cutting edge research on one of the world's most exciting weight loss aids coconut oil and how you can use it to power up your metabolism, boost your energy, improve thyroid function and lose unwanted weight. This revolutionary weight loss program is designed to keep you both slim and healthy using wholesome natural foods and the most health promoting fats. It has proven successful in helping those suffering from obesity, diabetes, heart and circulatory problems, low thyroid function, chronic fatigue, high blood pressure, high cholesterol and many other conditions. You will learn: Why you need to eat fat to lose fat. Why you should not eat lean protein without a source of fat. How to lose weight without feeling hungry or miserable. How to stop food cravings dead cold. Which fats promote health and which ones don't. The answers may surprise you. How to jumpstart your metabolism. How to restore thyroid function. How to use your diet to overcome common health problems. How to reach your ideal weight and stay there. Why eating rich delicious foods can help you lose weight. Which foods are the real troublemakers and how to avoid them. **Kirk's Current Veterinary**

THE NO BEACH NO ZONE NO NONSENSE WEIGHT LOSS PLAN is based entirely on an analysis of scientific studies so that it is fact based research on successful dieters that shows how they got the weight off and kept it off. Diet and exercise strategies that can be done at home. What is currently on the market a lot of diet and weight loss books with gimmicks and a lot of fluff but very few theories that are supported by randomized controlled trials. THE NO BEACH NO ZONE NO NONSENSE WEIGHT LOSS PLAN is the antithesis of these books. The author has reviewed the weight loss literature, found proven solutions and put it all in a digestible format for the lay person. The book contains self help information on calculating calorie needs and determining your BMI, the truth about cellulite and spot reducing, whether your weight is threatening your health, why your weight problem isn't all your fault, calculating the percentage of fats, carbs and protein in your diet, a little known exercise strategy shown to work in many controlled trials, detachable exercise and calorie count cards.
