YouTube Playbook Algorithm

Will you like to make money from home? Are you a housewife or a student that wants to make money without leaving your house or a source of income that fits your schedule? Then you have got the right book. YouTube and Google are the top two search engines in the whole world and technically YouTube is not even a search engine. YouTube has more than one billion viewership every month. YouTube has become more popular over the years as it has reached audiences of all ages. People go on YouTube to search for even the strangest thing, which shows that YouTube is the go-to place when people need to learn or entertain themselves. You can go on YouTube to spread political messages, promote your business, share your humour and make tutorials on anything you are good at, be it cooking, beauty, make-up, photography and much more to make more money. A lot of people are already making tons of money on YouTube and you can be one of them. You are probably thinking, "right now, can I make money on YouTube?" and the answer to that question is YES. There are different ways to make money on YouTube and the truth is you won't start making money the first week and probably the first couple of months, but with perseverance and determination, you can make your first million from YouTube.
