Cover Letter Prime Big Deal Days Latest:

No More Champagne David Lough, 2015-09-10 The untold story of Winston Churchill's precarious finances and the most original and surprising book about Churchill to emerge for many years The popular image of Churchill grandson of a duke drinking champagne and smoking a cigar conjures up a man of wealth and substance The reality is that Britain's most celebrated 20th century statesman lived for most of his life on a financial cliff edge Only fragments of information about his finances or their impact on his public life have previously emerged With the help of unprecedented access to Churchill's private records David Lough creates the first fully researched narrative of Churchill's private finances and business affairs As he reveals the scale of Churchill's financial risk taking combined with an ability to talk or write himself out of the tightest of corners the links between the private man and public figure become clear *Daily Graphic* Ransford Tetteh, 2010-03-05
