Digital Literacies Mark Pegrum, Nicky Hockly, Gavin Dudeney, 2022-05-11 Dramatic shifts in our communication landscape have made it crucial for language teaching to go beyond print literacy and encompass the digital literacies which are increasingly central to learners' personal social educational and professional lives By situating these digital literacies within a clear theoretical framework this book provides educators and students alike with not just the background for a deeper understanding of these key 21st century skills but also the rationale for integrating these skills into classroom practice This is the first methodology book to address not just why but also how to teach digital literacies in the English language classroom This book provides A theoretical framework through which to categorise and prioritise digital literacies Practical classroom activities to help learners and teachers develop digital literacies in tandem with key language skills A thorough analysis of the pedagogical implications of developing digital literacies in teaching practice A consideration of exactly how to integrate digital literacies into the English language syllabus Suggestions for teachers on how to continue their own professional development through PLNs Personal Learning Networks and how to access teacher development opportunities online This book is ideal for English language teachers English language learners of all ages and levels academics and researchers of all age groups and levels academics and students researching digital literacies and anyone looking to expand their understanding of digital literacies within a teaching framework

Marketing for Dentists Ehsan Zarei, You didn't become a dentist to chase patients You didn't sign up to become a marketer a social media manager or a pricing negotiator You just wanted to do great work help people and build a practice that gives you freedom not frustration But here you are Wondering why some dentists with less skill and experience seem to be thriving Frustrated by slow weeks price shoppers and no shows Watching competitors show up at the top of Google while your name is buried Feeling pressure to do more marketing but not knowing where to start or how to do

it without feeling fake or overwhelmed If that sounds familiar you're not alone The truth is there are thousands of highly skilled deeply caring dental professionals who are quietly struggling to grow Not because they aren't good enough but because they've never been taught how to communicate their value in a way that the right people notice and respond to That's what this book is here to change This is *Marketing for Dentists Done Right* This isn't a book about gimmicks dancing on TikTok or becoming someone you're not It's about getting crystal clear on what makes your practice valuable and learning how to show up online in a way that feels professional authentic and confidently positioned It's about attracting the right patients people who value what you offer who trust your expertise and who are willing to pay for quality And it's about doing that without burning yourself out or becoming a full-time marketer What This Book Will Help You Do By the time you finish this book you'll understand exactly how to Build a premium professional brand that stands out in your local market Attract high value patients who actually show up and stick around Create visibility without chasing trends or doing anything that feels uncomfortable Turn your website and online presence into a patient generating machine Grow a practice that feels aligned with who you are not someone else's idea of success You'll go from unsure and invisible to confident in demand and clearly positioned as the trusted expert in your area What's Inside This book is divided into 15 focused practical chapters Each one tackles a key shift strategy or stage in building a thriving dental practice that markets itself We'll start by laying the foundation clarifying your message brand and presence Then we'll dig into proven ways to attract high quality patients build systems that drive referrals and reviews and position you as the go-to provider in your area And finally we'll look at how to think like a confident visionary leader one who runs the practice instead of being run by it Each chapter is designed to build on the last so you gain real momentum and real results And If You Want to Move Faster Also if you're looking to get a stronger start or achieve faster results with your marketing you can reach out directly to the author for one-on-one support Whether you're short on time or simply want expert help to get everything done for you professional assistance is available Chat with me directly for your marketing needs and get a free consultation bluefreelancers.com/ehsan your shortcut to faster more effective results Let's Get Started You don't have to become a marketing expert You just have to be willing to show up in a new way with clarity purpose and a strategy that actually works Let's make your practice as remarkable online as it is in person Let's begin
