Baseball Under the Lights Charlie Bevis, 2021-05-14 Night games transformed the business of professional baseball as the smaller demographically narrower audiences able to attend daytime games gave way to larger more diversified crowds of nighttime spectators Many ball club owners were initially conflicted about artificial lighting and later actually resisted expanding the number of night games during the sport s struggle to balance ballpark attendance and television viewership in the 1950s This first ever comprehensive history of night baseball examines the factors obstacles and trends that shaped this dramatic change in both the minor and major leagues between 1930 and 1990

The Economics and Politics of Sports Facilities Wilbur C. Rich, 2000-05-30 Rich and his contributing authors provide a political and economic analysis of sports stadium construction in the United States the impact it has on the sports industry itself and on the host communities in which stadiums and arenas are built The book brings together the research of leading academic analysts of sports in American

society and gives a candid assessment of the claims and benefits the sports industry makes in its continuing promotion of new stadium construction Focusing on Baltimore Cleveland Chicago Boston Detroit New Orleans Toledo and Phoenix the authors examine the topic from the perspectives of history politics and economics and in doing so they raise several questions about taxpayer and community protection issues Specifically what do communities really get out of these facilities They point out that even as new and more expensive facilities are being built Congress has not provided taxpayers and cities any real protection from the risks involved in stadium investment Rich and his contributors examine how the pro stadium coalitions mobilize and explain why stadium supporters manage to win most of their construction initiatives In doing so the contributors challenge the conventional wisdom that stadiums stimulate economic development and provide good jobs On the contrary they have not lived up to the promises owners made to their host communities Neither have they generated high paying jobs nor have they met their operating costs The book concludes with ways in which sports franchise owners can be held more accountable to their communities The result is a powerful well reasoned skeptical but fair assessment of a growing phenomenon and an important resource for professionals and academics in all fields of public policy administration and urban development and management

Veblens America Sidney Plotkin, 2018-12-28 Donald Trump's astonishing rise to the US presidency challenges conventional understandings of American politics yet he is distinctively American His biography and family lineage reflect American traditions such as real estate hucksterism and buccaneering salesmanship But Trump's pugnacity also reflects the shadow of other darker American traditions of misogyny racism and xenophobia patterns that formed what Thorstein Veblen called a sclerosis of the American soul Using Veblen's theory of American development to explore the nation's curious fusion of barbarism and liberal democracy Veblen's America taps the rich vein of the sociologist's early twentieth century insights to shed light on the Trump phenomenon that has overwhelmed and threatened early twenty first century American democracy

The Man Who Built the National Football League Chris Willis, 2010-08-19 Founded in 1920 the National Football League chose famed athlete Jim Thorpe as its first president a position he held briefly until a successor was elected From 1921 to 1939 Joe F Carr guided the sport of professional football with intelligence hard work and a passion that built the foundation of what the NFL has become the number one sports organization in the world During his eighteen year tenure as NFL President Carr created the organization s first Constitution implemented the standard player s contract wrote the NFL s first ever Record and Fact Book helped split the NFL into two divisions and establish the NFL s World Championship Game started keeping league statistics and developed the NFL Draft But Carr s greatest achievement was creating a vision for the NFL as a big city sport By skillfully recruiting financially capable owners to operate NFL franchises in big market cities he created the solid foundation for the league s successful future While the sport has grown to unheard of heights Carr s name and accomplishments have been lost and forgotten

The Man Who Built the National Football League Joe F Carr captures the life and career of this pivotal figure in professional sports chronicling the many achievements of a man whose vision helped shaped what the NFL is today With unlimited access and complete cooperation from the Carr family including family interviews personal letters and family photos as well as NFL League Minutes Willis recounts the fascinating life and career of a man dedicated to the game

Tales from the Patriots Sideline Michael Felger, 2006 Some of the most entertaining stories from one of the most remarkable franchises in sports are told in this revealing look at the New England Patriots While the team s owner coach and stadium now all rank among the best in the National Football League the team was known for decades as having comically inept management and ownership as well as the worst stadium in the NFL In *Tales from the Patriots Sideline* former players share their tales of the tumultuous years Their initial owners had to sell the team after going bankrupt promoting a Michael Jackson concert tour Their coaches have been a colorful lot too including one who accepted a new job the day before a playoff game From the AFL years through the lowest of low seasons Patriots history has also been sprinkled with the occasional spikes of success They were a franchise on the verge of being relocated before

current management took the team to its new heights as three time Super Bowl champions Fans can find stories about it all in Tales from the Patriots Sideline **Public Dollars, Private Stadiums** Kevin J.
