When the NHL Invaded Japan Steve

Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams, the Washington Capitals and Kansas City Scouts, would travel to Japan for a four-game exhibition series dubbed the Coca-Cola Bottlers Cup, fans and media were baffled. The Capitals and the Scouts were both expansion teams with a combined 46 wins, 236 losses, and 38 ties in their first two seasons. Stats made more dismal when considering seven of those wins were against each other. Yet, lagging so hopelessly behind the rest of the NHL, they were perfect for a one-off event on the other side of the globe. The series was an eye-opening success. Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap-toothed Canadians wrestling on the ice. Filled with rare photos and player recollections, this book tells the story of how two league doormats became hockey heroes half way around the world.

The NHL's Mistake by the Lake Gary Webster, 2021-09-23

The Cleveland Barons should never have existed. Born when the National Hockey League's California Golden Seals, another team that should never have existed, were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio, the Barons were an embarrassment to the city and to the NHL. The only thing the team had going for them was the state-of-the-art arena they played in, which was all but empty for nearly every game they played. This book chronicles the Barons' two regrettable seasons, a case study in what happens when an ill-conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it.
