Volunteers Make a Difference

In every community, there are special people called volunteers. Volunteers are people who give their time and energy to help others without expecting payment. They do this because they care about making the world a better place. Some volunteers help take care of animals. They might feed dogs and cats at shelters or take care of injured birds. Other volunteers help by reading books to children or helping them learn new things.

Another type of volunteer is a garden helper. These volunteers plant flowers and trees in public spaces. They water them and pull out weeds to keep the area beautiful.

Many volunteers also help people in need. They comfort sick people and give them the things they need. Some volunteers talk to older people and help them smile. Some volunteers clean up litter from streets. They pick up trash to protect nature. They also make sure the Earth is safe. During disasters, they give food, clothing, and blankets to people who are homeless. They help rebuild homes and make sure families are safe.
