THE CHEAT CODE Misba,2023-05-26 After the terrible encounters with the war heroes the Intuitionist is on the verge of breaking all promises she gave to her friends and her family Worse both the war heroes might become aware of her power her intuition for she is their shortcut their cheat code As the Monk looks into the Oldest Dance he nearly discovers the first language of mankind or perhaps the first language on earth It could take him to the Source he believes But he can t do that without the Devil s Book the book that now belongs to the Mesmerizer Soon enough they realize that none may find what they seek unless they have the power to guess things right Soon enough they know who might be their Cheat Code to achieve it all And thus the Intuitionist fights the whispers of the ones with voice Her purpose calls her but she has her life to deal with a life that is too trivial compared to the ones who want her home And it s not easy when she must handle all promises she has made not when the oldest dance of the universe whispers in her dreams and when the Devil s Book calls her still In a world of voice where High Grades are too proud to lie a promise made verbally is stronger than a red seal So she must leave her mother s nest while keeping her promises and in her journey she must be aware of the whispers of the war heroes What the Critiques and Reviewers are saying about it A SLAP NOT A WHIP THE WHIP BELONGS TO TYRANTS AND MASTERS DANGEROUSLY TRUE SCARILY PROPHETIC **Hello Sleep** Jade
