The Vintage Guide to Love and Romance Kirsty Greenwood, 2015-04-09 The Vintage Guide to Love and Romance is a warm feel-good novel full of laugh-out-loud humour and irrepressible charm by Kirsty Greenwood, author of *Yours Truly* and *Big Sexy Love*. Jessica Beam is a girl who knows how to party. Only lately she's been forgetting to turn up for work on time. Or in clean clothes. Down on her luck, out of a job and homeless, Jess seeks the help of her long-lost grandmother. Things aren't going well for Matilda Beam either. Her 1950s Good Woman guide books are out of print, her mortgage repayments are staggering, and her granddaughter wears neon Wonderbras. When a lifeline from a London publisher arrives, the pair have an opportunity to secure the roof over their heads by invigorating the Good Woman guides and transforming modern rebellious Jess into a demure vintage lady. The true test of their makeover will be to capture the heart of notorious London playboy Leo Frost and prove that Matilda's guides still work. It's going to take commitment, nerves of steel, and one seriously pointy bra to pull this off. Contains some strong language.

Iranian Romance in the Digital Age Janet Afary, Jesilyn Faust, 2021-01-28 Following the 1979 Islamic Revolution, there was a dramatic reversal of women's rights and the state revived many premodern social conventions through modern means and institutions. Customs such as the enforced veiling of women, easy divorce for men, child marriage, and polygamy were robustly reintroduced, and those who did not conform to societal strictures were severely punished. At the same time, new social and economic programs benefited the urban and rural poor, especially women, which had a direct impact on gender relations and the institution of marriage. Edited by Janet Afary and Jesilyn Faust, this interdisciplinary volume responds to the growing interest and need for literature on gender, marriage, and family relations in the Islamic context. The book examines how the institution of marriage transformed in Iran, paying close attention to the country's culture and politics. Part One examines changes in urban marriages to new forms of cohabitation. In Part Two, contributors such as Soraya Tremayne explore the way technology and social media has impacted and altered the institution of family. Part Three turns its eye to look at marital changes in the rural and tribal sectors of society through the works of anthropologists including Erika Friedl and Mary Hegland. Based on the work of both new and established scholars, the book provides an up-to-date study of an important and intensely politicized subject.
