P. M. H. Bell, Mark Gilbert, 2016-11-03 A masterly synthesis of the history of the contemporary world The World Since 1945
offers the ideal introduction to the events of the period between the end of the Second World War and the present day P M H
Bell and Mark Gilbert balance a clear narrative with in depth analysis to guide the reader through the aftermath of the
Second World War the Cold War decolonization D tente and the Arab Israeli Conflict up to the on going ethnic strife and
political instability of the 21st century The new edition has been thoroughly revised to fully reflect developments in the
history and historiography of the post war world and features five new chapters on the post Cold War world covering topics
including The rise and fall of American hegemony The decline of Europe The rise of Asia Political Islam as a global force The
role of human rights The World Since 1945 challenges us to better understand what happened and why in the post war
period and shows the ways in which the past continues to exercise a profound influence on the present It is essential reading
for any student of contemporary history **China's Foreign Investment Legal Regime** Yuwen Li, Cheng Bian, 2022-03-10
China has developed a piecemeal pattern of regulating foreign investment since the end of 1970s The latest law is the
Foreign Investment Law FIL which became effective on 1 January 2020 The groundbreaking new FIL is well acknowledged
for its promises and affirmations pledged to investors signalling China s eagerness to improve its investment environment
and regain momentum for investment growth This book provides an updated and holistic understanding of the key features of
the regulatory regime on foreign investment in China with critical analysis of laws and their implementation It also examines
sensitive and complex legal issues relevant to foreign investment beyond the 2020 FIL and new developments on foreign
related dispute settlement The book uses cases of success and failure to illustrate the nuances and differences between law
and practice regarding foreign investment Considering China s magnitude in the global economy and the weighty role of the
regulatory system on foreign investment in China this book is of great interest to a wide range of audience including
academics in the field of investment law legal practitioners policymakers and master s students in law and in management
