Goodreads Choice Tax Bracket Update:

Climate Change is an Opportunity David Blockley, 2024-02-05 We have an imperative as never before to change our ways Climate change is presenting the entire human race with its greatest ever existential challenge Like many I feel a growing sense of looming disaster Yes we are making some progress but past agreements are not delivering In this book I put a case for a new form of principled capitalism based on moral principles rather than utility and profit I propose ten pillars that include systems thinking as citizens of the world and embracing Modern Monetary theory to guide decisions about macroeconomics and national debt
