The Dark Social Toija Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Antisocial Andrew Marantz, 2019-10-08 Trenchant and intelligent The New York Times As seen heard on NPR New Yorker Radio Hour The New York Book Review Podcast PBS Newshour CNBC and more A New York Times Book Review Editors Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet and how the cynical propagandists of the alt right exploited that freedom to propel the extreme into the mainstream For several years Andrew Marantz a New Yorker staff writer has been embedded in two worlds The first is the world of social media entrepreneurs who acting out of na vete and reckless ambition upended all traditional means of receiving and transmitting information The second is the world of the people he calls the gate crashers the conspiracists white supremacists and nihilist trolls who have become experts at using social media to advance their corrosive agenda Antisocial ranges broadly from the first mass printed books to the trending hashtags of the present from secret gatherings of neo Fascists to the White House press briefing room and traces how the unthinkable becomes thinkable and then how it becomes reality Combining the keen narrative detail of Bill Buford s Among the Thugs and the sweep of George Packer s The Unwinding Antisocial reveals how the boundaries between technology media and politics have been erased resulting in a deeply broken informational landscape the landscape in which we all now live Marantz shows how alienated young people are led down the rabbit hole of online radicalization and how fringe ideas spread from anonymous corners of social media to

cable TV to the President's Twitter feed Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed Will they be able to solve the communication crisis they helped bring about or are their interventions too little too late

Facebook Nation Newton Lee, 2022-02-02 This book explores total information awareness empowered by social media At the FBI Citizens Academy in February 2021 I asked the FBI about the January 6 Capitol riot organized on social media that led to the unprecedented ban of a sitting U S President by all major social networks In March 2021 Facebook CEO Mark Zuckerberg Google CEO Sundar Pichai and Twitter CEO Jack Dorsey appeared before Congress to face criticism about their handling of misinformation and online extremism that culminated in the storming of Capitol Hill With more than three billion monthly active users Facebook family of apps is by far the world's largest social network Facebook as a nation is bigger than the top three most populous countries in the world China India and the United States Social media has enabled its users to inform and misinform the public to appease and disrupt Wall Street to mitigate and exacerbate the COVID 19 pandemic and to unite and divide a country Mark Zuckerberg once said We exist at the intersection of technology and social issues He should have heeded his own words In October 2021 former Facebook manager turned whistleblower Frances Haugen testified at the U S Senate that Facebook's products harm children stoke division and weaken our democracy This book offers discourse and practical advice on information and misinformation cybersecurity and privacy issues cryptocurrency and business intelligence social media marketing and caveats to government and activism as well as the pros and cons of total information awareness including the Edward Snowden leaks Highly recommended T D Richardson Choice Magazine A great book for social media experts Will M AdWeek Parents in particular would be well advised to make this book compulsory reading for their teenage children David B Henderson ACM Computing Reviews
