National Audit Office - Department for Business, Innovation and Skills: Student Loan Repayments - HC 818

Great Britain: National Audit Office,2013-11-28 Until the Department for Business Innovation and Skills BIS has a robust strategy for maximizing the collection performance of student loans and improves its information on borrowers it will not be well placed to secure value for money BIS forecasts that the total value of outstanding student loans will increase from 46 billion in 2013 to approximately 200 billion by 2042 in 2013 prices The number of borrowers due to repay is projected to increase from 3 million in 2012 13 to 6 5 million by 2042 The loan book is therefore becoming a substantial public asset BIS and its collection partners HM Revenue Customs and the Student Loans Company SLC work together in a joined up way In 2012 13 they collected 1 4 billion in student loan repayments at a cost of 27m BIS needs to make better use of data to support its collection strategy and improve its understanding of where it could invest to maximise the collection value of the loan book In designing how student loans would work BIS anticipated that a proportion of the loans would not be repaid However BIS has not set an annual target for the amount to be collected because repayments are affected by graduate earnings and economic factors outside its direct control Annual repayment forecasts are consistently higher than amounts collected While many borrowers may not be in employment BIS and the SLC have carried out little analysis to establish how many may be working overseas or the level of repayments that may be missed *Resources in Education* ,2000 *Good Small Business Guide 2013, 7th Edition* Bloomsbury Publishing,2013-06-30 Fully updated for this 7th annual edition the Good Small Business Guide 2013 is packed with essential advice for small business owners or budding entrepreneurs Offering help on all aspects of starting running and growing a small business including planning setting up or acquiring a business getting to grips with figures marketing selling online and managing yourself and others Containing over 140 easy to read articles and an extensive information directory this fully updated guide offers help on all aspects of starting and growing a small business Features a foreword from the National Chairman of the Federation of Small Businesses *Breaking Biden* Alex Marlow,2023-10-03 INSTANT NEW YORK TIMES BESTSELLER The New York Times bestselling author of the must read Sean Hannity *Breaking the News* and editor in chief of Breitbart News Network returns with this timely and eye opening deep dive investigation into the 46th president Over his 50 year career in Washington Joe Biden has become known for his wild dishonesty embarrassing policy failings and an absolute lack of accountability culminating in his predictably unpopular presidency But what has not yet been revealed is the vast web of consultants bureaucrats corporate titans foreign interests and various extended family members it s not just Hunter who have achieved unfathomable wealth and power while keeping Biden in charge Now Alex Marlow reports the findings of a shocking in depth investigation into the individuals and entities behind the devastating decisions that have empowered the global elite at the expense of the American public With his signature prescient Tucker Carlson writing Marlow unearths new details such as EXPOSED The secret cadre of consultants
