The Snowflakes' Revolt Amber Athey,2023-03-21 The snowflake generation of college students didn t simply melt away as expected but rather entered the workforce and hijacked mainstream media using campus mob intimidation tactics to push America further to the left than ever before Step onto a college campus attend a street protest flip to a legacy news network tune in to a White House press briefing and you re likely to come down with a bad case of d j vu The media composed almost entirely of liberal elites along with the Democratic Party and its activists have long worked in tandem to make their ideas palatable to the public But the media s reliance on the left for relevance had an unwanted side effect it s been forced to genuflect to the most radical and most obnoxious and unfortunately very influential activists Over the past decade the zealous individuals once derided as college snowflakes by the right have taken over key cultural institutions pushing the national conversation further to the left than ever before These individuals have cohered into a potent clique that has employed campus mob tactics to orchestrate revolutions and purges at the New York Times major publishing companies and mega corporations in Silicon Valley and beyond Low level staffers transform into Slacktivists organizing protests through their company social media channels and WhatsApp group chats eventually collecting enough digital signatures to wrestle management into submission Amber Athey has witnessed it all come to fruition She was the most vocal conservative at Georgetown University when academic freedom was first being

suffocated by safe spaces and trigger warnings After graduation she covered liberal bias at colleges across the country binged endless hours of cable news each day as a media reporter and most recently embedded with the White House press corps as a correspondent Part memoir part investigation and part prescription this book will expose how modern media influences the American public with the coordinated assistance of left wing politicians think tanks special interest groups and experts Finally The Snowflakes Revolt will argue that the introduction of petulant radicals to this already volatile concoction will only accelerate the media s collapse

Privileged Victims Eddie Scarry,2020-02-25 America s worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America s most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly

WTF! The Chase Marc Longcor,2022-01-21 Buckle up people 13 has disappeared with the doc and the only sorry sumbitches who can do anything are Stone Jack Kate and Stacy The gang teams up with Hightower and a cocaine addicted alien named Frost Time travel seems all fun and games until shit goes wrong and like everything with the gang it does Time travel pirates Nazis Viking werewolves giant bears giant man eating plants raptors more Alien 13 monsters alien gods a dark ancient evil Amelia Earhart Elvis and an alternate universe nothing seems to go

right for Stone and the gang The stakes seem to add up and with stakes so high it's best to be killing in a kilt *The Genius of Bob's Burgers* Margaret France, 2021-12-16 Given the limitless freedom of animation why would anyone use it to make a sitcom about a struggling family owned burger place And why would audiences embrace this greasy fantasy not just by tuning in but by permanently decorating their legs and arms with images from the show and writing detailed backstories for its minor characters This book length critical study of Bob's Burgers examines the moments in which the animated sitcom exposes the chasms between generations explores gender and sexual identity and allows fans to imagine a better world Essays cover how the show can be read as a series of critiques of Steven Spielberg's early blockbusters a rejection of Freudian psychology or an examination of the artificiality of gendered behaviors through the cross casting of characters like Tina and Linda By tracing the ways that the popular reception of Bob's Burgers reflects changing cultural attitudes the essays provoke broader questions about the responsibility of popular entertainment to help audiences conceive of fantasies closer to home fantasies of loving and accepting parents of creative self assured children and of menus filled with artisanal puns **Bloggers Boot Camp** Charlie White, 2013-07-18 Bloggers Boot Camp shows you how to build a great blog from the ground up This isn't a book about technology it's a book about engaging millions of readers Starting your blog is easy but building and maintaining a popular one is hard Blogging experts John Biggs and Charlie White Gizmodo Mashable and TechCrunch share their secrets from the frontline showing you how to blog with quality and flair find the best stories and attract millions of readers to your blog Blogging goes way beyond writing It's a conversation between you and your audience Guiding you to blogging success Bloggers Boot Camp shows you how to Uncover a niche for your blog and realize key factors about yourself that you need to know before you write a single word Gather the ideal tools for blogging without spending too much or approaching it underequipped Discover the best ways to spread the word about your new blog Find the most compelling stories to write about and get the information before anyone else does Transform your writing by learning the subtle art of constructing a compelling engaging blog post Stimulate your readers to directly participate in the two way conversation perhaps the most exciting part of this new way of communicating New York Magazine , 1994-10-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Homemade Money* Barbara Brabec, 1997 This must have survival guide for today's economy shows aspiring and veteran entrepreneurs how to select start manage market and multiply the profits of business at home The latest edition has been expanded and updated to reflect the changing face of home based businesses and features hundreds of new tips sidebars and examples from more than 200 readers and business professionals of charts illustrations **Night of the Living Queens** Shelly Page, Alex
