Improving Access to Student Financial Aid Information United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Government Information and Regulation, 1992 This document presents testimony and prepared statements concerning the lack of information about educational and career opportunities for young people beyond high school and the need for improving access to student financial aid information so that economically disadvantaged students have the opportunity to go on to higher education Witnesses were Col John C Meyers Director Advertising and Public Affairs U S Army Recruiting Command Hon Ernest C Canellos Acting Deputy Assistant Secretary Office of Student Financial Assistance U S Department of Education Gwendolynne S Moore Representative Seventh Assembly District State of Wisconsin Selena Dong Legislative Director United States Student Association Regina E Manley president National Association of College Admission Counselors Chicago IL Public Schools Gary D Bass Executive Director OMB Watch and A Dallas Martin Jr President National Association of College Admission Counselors Also included in the document is a U S Department of Education publication called The Key to the Future that provides information to assist those interested in seeking student aid including how to get it what s available and general information on the department s Student Aid process Appendices contain 1 prepared statements of witnesses in order of appearance 2 statements from Senators Lieberman and Rudman 3 responses from the National Association of Student Financial Aid Administrators to Senator Rudman s questions and 4 responses to questions from Senator Kohl by the U S Department of Education GLR , **The Lancet** , 1937

Princeton Alumni Weekly , 1961 **Congressional Record** United States. Congress, 2003 **A Father's Journey, a Daughter's Voyage** Leonard Harris, Jamila R. Grant, 2005 This is a fascinating and instructive look at a father and daughter s relationship and the emotional strategies the family used while confronting a double mastectomy chemotherapy and radiation treatments The story is told through edited entries from a journal maintained by the father poetry written by the daughter and discussions of how to manage a family while confronting the uncertainty created by breast cancer Católicos Mario T. García, 2008-10-01 Chicano Catholicism both as a popular religion and a foundation for community organizing has over the past century inspired Chicano resistance to external forces of oppression and discrimination including from other non Mexican Catholics and even the institutionalized church Chicano Catholics have also used their faith to assert their particular identity and establish a kind of cultural citizenship Based exclusively on original research and sources Mario T Garc a here offers the first major historical study to explore the various dimensions of the role of Catholicism in Chicano history in the twentieth century This is also one of the first significant studies in the still limited field of Chicano religious history Topics range from how early Chicano Catholic intellectuals and civil rights leaders were influenced by Catholic Social Doctrine to the role that popular religion has played in the lives of ordinary men and women in both rural and urban areas Garc a also examines faith based Chicano community movements like Cat licos Por La Raza in the 1960s and the Sanctuary movement in

Los Angeles in the 1980s While Latino a history and culture has been for the most part inextricably linked with the tenets and practices of Catholicism there has been very little written until recently about Chicano Catholic history Garc a helps to fill that void and explore the impact both positive and negative that the Catholic experience has had on the Chicano community
