Prayer Grace Swift,2016-03 It was the longest ride of Grace Swift s life For nine hours she could think only about the excruciating task awaiting her identifying the body of her youngest son He had been a radical prayer warrior and Christian who placed his confidence in God despite his personal imperfections But in a random act of murder he was gunned down in his youth Drawing upon her son s fervent commitment to Christ Grace has crafted a message for all young Christians who want to change the world through prayer Personal perfection is not a prerequisite for being used by Jesus Confidence in His power within you will enable you to accomplish great things for Him Grace will challenge you not to limit God because of your youth She will build your confidence that through the Holy Spirit in you you can live every day on the offensive and enjoy a mountain moving world changing life of prayer *The Alabados of New Mexico (Spanish and English Edition)* Thomas J. Steele,2005-09 The sacred hymns of New Mexico compiled by the expert on church literature in a handsome bilingual volume *Crossing Borders with the Santo Niño de Atocha* Juan Javier Pescador,2022-10-01 Crossing Borders with the Santo Ni o de Atocha journeys through the genesis development and various metamorphoses in the veneration of the Holy Child of Atocha from its origins in Zacatecas in the late colonial period through its different transformations over the centuries across lands and borders and to the ultimate rising as a defining religious devotion for the Mexican Chicano experience in the United States It is a vivid account of the historical origins of the Santo Ni o de Atocha and His transformations Everywhere He ever walked first in the nineteenth century along the Camino de Tierra Adentro between Zacatecas and New Mexico to His consolidation as a saint for the Borderlands and finally to His contemporary metamorphosis as a border crossing religious symbol for the immigrant experience and the Mexican Chicano communities in the United States Using a wide variety of visual and written materials from archives in Spain Mexico and the United States along with oral history interviews participant observation photography popular art thanksgiving paintings and private letters addressed to the Holy Child Juan Javier Pescador presents the fascinating and intimate history of this religious symbol native to the Borderlands while dispelling some myths and inaccurate references Including narrative vignettes with his own personal experiences and fragments of his family s interactions with the Holy Child of Atocha Pescador presents the book as a thanksgiving testimony of the prominent position the Santo Ni o de Atocha has enjoyed in the altarcitos of my family and

Evangelization in New Spain Stephanie Schmidt,2025-04-08 Examines the many iterations of a story of child martyrdom in colonial Mexico A cornerstone of the evangelization of early New Spain was the conversion of Nahua boys especially the children of elites They were to be emissaries between Nahua society and foreign missionaries hastening the transmission of the gospel Under the tutelage of Franciscan friars the boys also learned to act with militant zeal They sermonized and smashed sacred objects Some went so far as to kill a Nahua religious leader For three boys from Tlaxcala the reprisals were just as deadly In *Child Martyrs and Militant Evangelization in New Spain* Stephanie Schmidt sheds light on a rare manuscript about Nahua child converts who were killed for acts of zealotry during the late 1520s This is the Nahuatl version of an account by an early missionary friar Toribio de Benavente Motolin a To this day Catholics venerate the slain boys as Christian martyrs who suffered for their piety Yet Franciscan accounts of the boys sacrifice were influenced by ulterior motives as the friars sought to deflect attention from their missteps in New Spain Illuminating Nahua perspectives on this story and period Schmidt leaves no doubt as to who drove this violence as she dramatically expands the knowledgebase available to students of colonial Latin America

Vincent Ferrer 1350 1419 a celebrated Dominican preacher from Valencia was revered as a living saint during his lifetime receiving papal canonization within fifty years of his death In *The Saint and the Chopped Up Baby* Laura Ackerman Smoller recounts the fascinating story of how Vincent became the subject of widespread devotion ranging from the saint s tomb in Brittany to cult centers in Spain Italy France Germany and Latin America where Vincent is still venerated today Along the way Smoller traces the long and sometimes contentious process of establishing a stable image of a new saint Vincent came to be epitomized by a singularly arresting miracle tale in which a mother kills chops up and cooks her own baby only to have the child restored to life by the saint s intercession This miracle became a key emblem in the official portrayal of the saint

promoted by the papal court and the Dominican order still haunted by the memory of the Great Schism 1378-1414 that had rent the Catholic Church for nearly forty years Vincent however proved to be a potent religious symbol for others whose agendas did not necessarily align with those of Rome Whether shoring up the political legitimacy of Breton or Aragonese rulers proclaiming a new plague saint or trumpeting their own holiness individuals imposed their own meanings on the Dominican saint Drawing on nuanced readings of canonization inquests hagiography liturgical sources art and devotional materials Smoller tracks these various appropriations from the time of Vincent's 1455 canonization through the eve of the Enlightenment In the process she brings to life a long raucous discussion ranging over many centuries *The Saint and the Chopped Up Baby* restores the voices of that conversation in all its complexity *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Spanish Grammar Ralph Emerson Bassett,1915
