Christianity ZHUO Xinping, 2013-08-08 Chinese Christianity is fascinating and perplexing Yet although its existence can be dated back to the Tang Dynasty when Christianity in the form of Nestorianism first arrived in China it has not been extensively researched by Chinese academics This volume is devoted to this topic and consists of twelve chapters written mostly by leading mainland Chinese scholars These writings shed light on five themes epistemological reflection on Chinese Christian theology interactions between Christianity and Chinese culture the empirical and historical examination of Christian ethics and social development in China the Chinese understanding of the Bible as literature and the remarkable contribution that Christianity has made to Chinese higher education and cultural exchange with the external world

Shaanxi Paul Hattaway, 2025-03-31 This book is the seventh in Paul Hattaway s series The China Chronicles In the series he draws on more than thirty five years of experience in China and numerous interviews with church leaders to provide insight into the extraordinary explosion of Christianity throughout China in recent decades the largest revival in the history of Christianity Shaanxi is the cradle of Chinese civilization where the compass paper printing and gunpowder were invented It was the southern terminus of the ancient Silk Road and the first place in China to receive the gospel Hattaway shows that Christians were in China centuries before the assumed earliest date of AD 635 During the missionary era there was slow growth but today Shaanxi is home to more than three million followers of Christ As storm clouds of persecution gather worldwide believers can find encouragement in these

bold testimonies of standing up for Christ in the face of severe hardship Hattaway here delights in the wonderful things God has done for often unlikely people and the dedication that flowed from their transformed lives
