Social media sites enable writers audiences to communicate back to the them instantly and often Even professional writers work within interfaces that place comments adjacent to their text privileging the audience s voice Thus writers face the prospect of attending to their writing after they deliver their initial arguments Update Culture and the Afterlife of Digital Writing describes the conditions that encourage published texts to be revisited It demonstrates through forty case studies of Amazon reviewers redditors and established journalists how writers consider the timing attention and management of their writing under these ever evolving conditions Online culture from social media to blog posts requires a responsiveness to readers that is rarely duplicated in print and requires writers to consistently reread edit and update texts a process often invisible to readers This book takes questions of circulation online and shows via interviews with both writers and participatory audience members that writing studies must contend with writing s afterlife It will be of interest to researchers scholars and students of writing studies and the fields of rhetoric communication education technical communication digital writing and social media as well as all content creators interested in learning how to create more effective posts comments replies and reviews

Nobody's Victim Carrie Goldberg,2019-08-13 A rallying cry for privacy justice New York Times We need more warriors like Carrie Tarana Burke founder of the MeToo movement In an era of doxing revenge porn and online stalking the law is failing us Tech companies are untouchable and often women are persecuted Carrie Goldberg built her law firm on battling these unprecedented cases from stalkers haunting their exes through social media and dating apps to schools suspending girls who report sexual assault to trolls making fake bomb threats in their victims names Here she tells her clients stories alongside her own remarkable journey to become the lawyer she once needed Gripping and inspiring *Nobody's Victim* shows how we must rewire the legal system for the age of the internet and gives us the weapons to fight back Perfect for fans of *She Said* by Jodi Kantor and Megan Twohey *The Whisper Network* by Chandler Baker and *The Good Fight*

An Internet for the People Jessa Lingel,2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn t profit off your data *An Internet for the People* explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site s history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist s legal history describing the company s courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web
