Maths Unwrapped Mattias Ribbing, Per Sundin, 2019-11-28. Why do so many of us struggle to remember the maths we were taught at school? The answer is that we can successfully memorise things for a short period but we only retain those memories long term if we understand them. Mattias Ribbing is a Grand Master of Memory.

who will show you how to remember maths through truly understanding it His methods are simple but will last for life and unwrap the puzzle of maths forever The key to confidence with numbers is not remembering complex rules surrounding long division or algebra it s understanding the critical components of maths and being able to clearly visualise problems and solutions This illuminating guide to improving your maths provides logical long term strategies that will enable you to finally get maths and hold on to that level of confidence thereafter
