Notice and Note Literature Log Kyleene Beers, Robert E. Probst, 2013-11-11 The essential element in rigor is engagement If students are to read rigorously they must be committed to understanding some intriguing character to solving some problem to figuring out what a writer believes and how those thoughts compare with their own The literary signposts in

Notice and Note encourage this rigor Now in the Notice and Note Literature Log we share our signposts with students Kylene Beers and Robert E Probst Notice and Note transformed how teachers help students read and analyze complex texts Now a new Notice and Note Literature Log offers students practice finding the signposts with over the shoulder coaching from Kylene and Bob The first section of this interactive notebook offers students passages from popular novels in which they can practice as a class or on their own finding the Notice and Note signposts Each practice passage is followed with comments from Bob and Kylene that explain to students what they read These passages are perfect for minilessons the teacher might want to use to reinforce or reteach signpost lessons In the second section students log the books they are reading In the final section students have space to track their thinking and take notes on what they notice as they read novels for class or on their own The Notice and Note Literature Log is more than a place where students can note what they notice Through its regular coaching commentary this literature log offers students an opportunity during independent reading to read and learn with two master educators at their side Save when you purchase the Literature Log in a 5 Pack Learn more at Heinemann com

Small Teaching K-8 Sarah Connell Sanders, James M. Lang, 2022-11-23 Cognitive science research based teaching techniques any educator can implement in their K 8 classroom In Small Teaching K 8 a team of veteran educators bridges the gap between cognitive theory and the K 8 classroom environment applying the same foundational research found in author James Lang s bestselling Small Teaching Everyday Lessons from the Science of Learning to the elementary and middle school setting Via clear descriptions and step by step methods the book demonstrates how to integrate simple interventions into pre existing pedagogical techniques to dramatically improve student outcomes The interventions consist of classroom or online learning activities one time additions or small modifications in course design or communication Regardless of their form they all deliver powerful positive consequences In this book readers will also find Foundational concepts from up to date cognitive research that has implications for classroom teaching and the rationales for using them in a K 8 classroom Concrete examples of how interventions have been used by faculty in various disciplines Directions on the specific timing of each intervention backed by evidence based reasons An essential resource for K 8 educators seeking ways to improve their efficacy in the classroom Small Teaching K 8 offers teachers intuitive and actionable advice on helping students absorb and retain knowledge for the long term

The 'Change of Signposts' in the Ukrainian Emigration Christopher Gilley, 2009-09-25 The failure of the attempts to create a Ukrainian state during the 1917 21 revolution created a large Ukrainian migr community in Central Europe which due to its experience of fighting the Bolsheviks developed a decidedly anti Communist ideology of integral nationalism However during the 1920s some in the Ukrainian emigration rejected this doctrine and began to advocate reconciliation with their former enemies and return to Soviet Ukraine This included some of the most prominent figures in the Ukrainian governments set up after 1917 for example Mykhailo Hrushevskyi Volodymyr Vynnychenko and Yevhen Petrushevych On the basis of published and unpublished writings

of the Sovietophile migr s Christopher Gilley reconstructs and analyzes the arguments used to justify cooperation with the Bolsheviks In particular he contrasts those who supported the Soviet regime because they saw the Bolsheviks as leaders of the international revolution with those who stressed the apparent national achievements of the Soviet Ukrainian republic In addition Gilley examines Soviet policy towards pro Soviet migr s and the relationship between the migr s and the Bolsheviks using documents from historical archives in Kyiv The Ukrainian movement is compared to a similar phenomenon in the Russian emigration Smena vekh Change of Signposts The book contributes to the study of the era of the New Economic Policy and Ukrainianization in the Soviet Union as well as to the histories of the Ukrainian emigration in the 1920s and of Ukrainian political thought
