Noun Course Materials Introduction To Tourism:

Teaching Tourism Edelheim, Johan, Joppe, Marion, Flaherty, Joan, 2022-02-22 Tourism as an activity is increasingly being criticised for its exploitative and extractive industrial approaches to business Yet it has the power to transform and to regenerate societies cultures and the environment The desire to explore the world around us is deeply embedded in many people s psyche but it comes at a cost to the environment and often to the residents of the visited communities Much of tourism education has been closely linked to preparing students for future professional practice but the challenges and opportunities linked to its consumption require that its future leaders must exhibit very different values and understandings to tackle ever more complex and wicked problems from which tourism cannot dissociate itself This compilation of values based learning experiences can be adapted to suit the needs and disposition of individual instructors and aims not only to engage students in the subject matter but also deepen their understanding of its complexity and interconnectivity and help them become global citizens that lead lives of consequence

The Internet and Travel and Tourism Education Bob Mckercher, Gary Williams, William Chernish, 2023-05-31 Design and implement successful Web based courses This wide ranging book discusses both the micro and macro aspects of using the Internet to enhance your travel and tourism curriculum The Internet and Travel and Tourism Education offers useful insights for both novices and experienced users With these suggestions you can use online resources to contribute to your class objectives The innovative teaching strategies presented in The Internet and Travel and Tourism Education will not soon become outdated Instead of being based on fast changing technical details such as specific programs the ideas are rooted in the way information is presented and absorbed By tapping the power of the Internet you can find more effective ways to teach the skills and facts your students need The Internet and Travel and Tourism Education provides helpful advice and information on essential aspects of this powerful tool including Web based instruction students perceptions of Internet courses using the Web to expand content areas an Internet based master s degree program administrative issues managing multimedia projects The Internet and Travel and Tourism Education will help you offer the best possible education for your students and stay up to date in an increasingly competitive world
