Loades, 2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L Sayers as well as advancing the study of better known Anglican forebears C S Lewis and Austin Farrer always with her own distinctive concerns A key interpreter of the Anglican tradition and with a keen eye to ensure the full recognition of women these studies by Ann Loades are essential reading in Anglican feminist and twentieth century theology **Self-portraits** Andrea Peterson, 2006 In 1915 Vera Brittain began to wonder whether it was possible to make a book out of the very essence of one s self In this study the author moves away from Brittain s already well documented political passions socialism feminism and pacifism to discuss her enduring fascination with philosophy and the problems surrounding the literary representation of subjectivity Using the psychoanalytical philosophical and literary theories known to Brittain as well as some more recent and pertinent theoretical developments the author examines not only Brittain s explicitly autobiographical writings but also all of her published novels *The Dark Tide* 1923 *Not Without Honour* 1924 *Honourable Estate* 1936 *Account Rendered* 1945 and *Born* 1925 1948 This insightful and accessible book details Brittain s innovative writing methods and re evaluates her contribution to the development of the novel during the early twentieth century The author offers a new and interesting
