R. Stoll,2014-03-05 Teaching Recent Global History explores innovative ways to teach world history beginning with the early
20th century The authors unique approach unites historians social studies teachers and educational curriculum specialists to
offer historically rich pedagogically innovative and academically rigorous lessons that help students connect with and deeply
understand key events and trends in recent global history Highlighting the best scholarship for each major continent the text
explores the ways that this scholarship can be adapted by teachers in the classroom in order to engage and inspire students
Each of the eight main chapters highlights a particularly important event or theme which is then complemented by a detailed
discussion of a particular methodological approach Key features include An overarching narrative that helps readers address
historical arguments Relevant primary documents or artifacts plus a discussion of a particular historical method well suited
to teaching about them Lesson plans suitable for both middle and secondary level classrooms Document based questions and
short bibliographies for further research on the topic This invaluable book is ideal for any aspiring or current teacher who
wants to think critically about how to teach world history and make historical discussions come alive for students **Our**
