A Close Look at Close Reading Barbara Moss, Diane Lapp, Maria Grant, Kelly Johnson, 2015-05-21 The Common Core State Standards have put close reading in the spotlight as never before. While middle and high school teachers want and need students to connect with, analyze, and learn from both literary and informational texts, many are unsure how to foster the skills students must have in order to develop deep and nuanced understanding of complicated content. Is there a process to follow? How is close reading different from shared reading and other common literacy practices? How do you prepare students to have their ability to analyze complex texts measured by high-stakes assessments? And how do you fit close reading instruction and experiences into an already crowded curriculum? Text complexity and how to determine if a particular text is right for your learning purposes and your students. The process and purpose of close reading with an emphasis on its role in developing the 21st-century thinking, speaking, and writing skills essential for academic communication and college and career readiness.
