Keener, Jeremy S.

Crenshaw, Jordan Daniel May, 2014-01-24 Johannine Literature offers some of the most beautiful majestic and profound theology contained within the entire biblical text Within its works can be found the highest Christology the capstone of eschatology and the heartbreaking struggles of a community committed to Christ However it does not always get the attention it deserves in New Testament studies This book seeks to remedy that by drawing together some of the most respected biblical scholars to bring their expertise to bear on various aspects of Johannine studies that are contained within the Gospel Epistles and the Apocalypse These contributions have been collected as a Festschrift in honor and celebration of the career of Benny C Aker a preeminent scholar teacher and mentor Leipziger repertorium der deutschen und

Essen im antiken Judentum und Urchristentum untersucht Christina Eschner die Auseinandersetzungen zum j dischen Gesetz innerhalb des Urchristentums vor dem Hintergrund vergleichbarer Diskurse im antiken Judentum Ziel ist es die urchristliche Praxis des Gesetzes in ihrem gr eren Kontext darzustellen und ihr gegebenenfalls einen bestimmten Platz im facettenreichen Bild der zeitgen ssischen j dischen Str mungen zuzuweisen Dabei finden Schriften aus Qumran dem griechischsprachigen und dem rabbinischen Judentum Ber cksichtigung Der Fokus liegt auf Vorschriften zu verbotenen Speisen zur Tischgemeinschaft und zur erlaubten Art und Weise der Nahrungsaufnahme Auch pagane Traditionen werden einbezogen Damit ist diese Studie besonders interdisziplin r ausgerichtet Sie bewegt sich an der Schnittstelle zwischen Themenfeldern

der neutestamentlichen Wissenschaft der Altphilologie der Alten Geschichte und der Judaistik Sie kommt zu dem Ergebnis dass die urchristlichen Diskurse zum Essen nicht auf eine vollständige Abschaffung der entsprechenden jüdischen Gesetzesanordnungen zielen In Essen im antiken Judentum und Urchristentum Christina Eschner examines the Early Christian disputes about the Jewish law against the background of Ancient Jewish discourses on commands of the law in order to situate the Early Christian practice of the law within its broader context Jewish sources include the Dead Sea Scrolls Jewish writings in Greek and early rabbinic texts This study focusses on rules concerning prohibited food table fellowship and the permissible way of food intake Pagan traditions are also considered Thus the work has an interdisciplinary orientation discussing issues at the junction of New Testament studies Classics Ancient History and Jewish studies It concludes that Early Christian food discourses do not aim for the complete abolition of the law

Missiological Hermeneutics Shawn B. Redford, 2012-10-18 The first is a historical case considering the missional and theological hermeneutics employed when addressing African polygamy For the most part authors addressing polygamy have failed to consider God's missional response to polygamists in order to buttress their own convictions regarding African polygamy As such authors have not typically utilized a missional hermeneutic when trying to address polygamy Instead they have based their arguments on the false assumption that a given theological stance is the starting point for addressing the practice The second case study considers the role of mission praxis in an Islamic context related to missiological hermeneutics The case study demonstrates the impact of modern day mission practice especially when it correlates closely with the missionary dynamics in a given portion of Scripture

Wallace, 2009 Granville Sharp's Canon and Its Kin explains that the semantics of the article substantive KAI substantive construction TSKS have been largely misunderstood and that this misunderstanding has adversely impacted the exegesis of several theologically significant texts This issue is addressed from three angles historical investigation linguistic phenomenological analysis of the construction and exegetical implications The reasons for the misunderstanding are traced historically a better comprehension of the semantics of the construction is established by an examination of primary literature in the light of linguistic theory and the implications of this analysis are applied to a number of passages in the New Testament Historically the treatment begins with a clear grammatical principle articulated by Granville Sharp and it ends with the present day confusion This book includes a detailed examination of the New Testament data and other Ancient Greek literature which reveals that Sharp's rule has a general validity in the language Lastly a number of exegetically significant texts that are affected by the linguistic phenomenological investigation are discussed in detail This enlightening text is a valuable resource for undergraduate and graduate students of religion linguistics history and Greek *The Original Ending of Mark* Nicholas P. Lunn, 2014-10-01 Although traditionally accepted by the church down through the centuries the longer ending of Mark's Gospel 16:9-20 has been relegated by modern scholarship to the status of a later appendage The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style This work shows that these primary grounds of argumentation are inadequate It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages Strong indications of Markan authorship are found in the presence of specific linguistic constructions a range of literary devices and the continuation of various themes prominent within the body of the Gospel Furthermore the writings of Luke show that the Gospel of Mark known to this author contained the ending Rather than being a later addition the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission probably in Egypt during the second century **The National Union Catalog, Pre-1956 Imprints** ,1980 **Athenaeum and Literary Chronicle** ,1860
