Now Know Anthony Dziedzic, 2015-12-07 *Now Know* was written as a legacy for my children. After reading the first ten chapters, my sister Sharon sent an email to me with the following comment: "This book needs to be published. I really don't know how to do that, but I know in my heart this needs to be published. Yes, for your kids, but also for others who struggle with the same demons you struggle with, and for hope. I think this goes under the heading of inspired writing; submit it." With over thirty years as an information technology professional focused in software development and IT management, Anthony was founder and chief executive of TriCom International Inc. 1982-1986 and was a teamwork coach who developed the principles and methods of TeamTacks, a method of stimulating and maintaining teamwork primarily within IT project teams.
