Cyril J. Barber, 2004-09-23 In a recent essay *The Unmarked Way* Harvard scholar Oscar Handlin wrote At some point midway into the 20th century Europeans and Americans discovered that they had lost all sense of direction Formerly familiar markers along the way had guided their personal and social lives from birth to maturity to death Now disoriented they no longer trust the guideposts and grope in bewilderment toward an unimagined destination Dr Handlin's observation confirms the fact that history has repeated itself One of the guideposts that could lead us through the maze of confusing theories is the Book of Kings Without the light of history shining over our shoulders we lose our sense of direction The admonition of the prophet Jeremiah points us back to the lighted path He counseled the people of his day to Ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls Now more so than ever before we need the teaching of 1 and 2 Kings and that after all is the purpose of these studies Read them and see *Standing for Orthodoxy* Carl R. Trueman, Joel R. Beeke, Michael A. G. Haykin, Jared Hood, 2025-07-22 Standing for Orthodoxy celebrates the life and legacy of Peter Barnes aptly described as one of Australia's ablest defenders of theological orthodoxy whose tireless dedication to Scripture pastoral care and historical theology has profoundly impacted generations within the global Reformed community Spanning pastoral historical biblical and systematic theology the essays within this volume reflect the diverse yet unified commitment of Barnes's ministry to uphold biblical orthodoxy in a changing world Contributions from esteemed Australian and international scholars and pastors such as Joel R Beeke Michael A G Haykin Jared Hood John McClean Carl R Trueman Geoffrey Thomas and Rowland S Ward engage crucial questions of pastoral care confessional integrity historical interpretation and theological fidelity From discussions on the Early Church Fathers and John Calvin to explorations of Abraham Kuyper A W Pink and contemporary issues facing the church today these essays illustrate the rich interplay between historical depth and practical pastoral insight This volume serves as both a tribute and an urgent call reminding readers of the enduring necessity of standing firmly for biblical truth the power of historical theology to inform contemporary challenges and the essential role of the pastor scholar in guiding God's people toward faithfulness in every generation T&T Clark Handbook of Asian American Biblical Hermeneutics Uriah Y. American approaches to the Bible Part 1 of the Handbook describes six major ethnic groups that make up 85% of Asian population by country of origin China Philippines Indian Subcontinent Vietnam Korea Japan and outlines the specific concerns each group has when its members read the Bible Part 2 of the Handbook examines major critical methods in biblical interpretation and suggests adjustments that may be helpful for Asian Americans to make when they are interpreting the Bible Finally Part 3 provides 25 interpretations by Asian American biblical scholars on specific texts in the Bible using what they consider to be Asian American hermeneutics Taken together the Handbook interprets the Bible both with and for the Asian American communities

Balaam's God Jonathan Ammon, 2022-04-11 A renowned diviner An approaching and victorious army A divine encounter A talking donkey And the message of Yahweh reigning as King Balaam is well known as the primary example of a false prophet in the New Testament But he wasn't a false prophet in the way that many of us would define them today His story remains shocking and often misunderstood While many remember the story of the talking donkey from the book of Numbers few remember Balaam's incredible insights and battle of wills with Yahweh the Creator of the Universe Balaam's God reveals the depths of Balaam's powers the source of his accurate insight and the weaknesses that led him astray Balaam's reputation within the New Testament is as one of the worst false prophets in all of history Yet his history outside of the New Testament is as one of the greatest diviners in all of antiquity Balaam is a mysterious figure yet the biblical text and context reveal the nature of his gifts and powers as well as the nature of his character And there are important connections between Balaam and both the true and false prophets of today Balaam's story doesn't end after his last oracle in the book of Numbers It continues into the book of Revelation and even into our current day In these pages you will discover the secrets to Balaam's communication with God how God turned wrong divination into pure prophecy and how to turn from Balaam's ways to a true mouthpiece of Yahweh
