I Love Being the Enemy Reggie Miller, 1999-04 Reggie Miller on the New York Knicks I'm telling you right now I hate the Knicks Absolutely hate those kids Face it The Knicks are dirty players Let me take the back They're not dirty players but when things aren't going New York's way they're going to do whatever it takes to win And if that means hurting someone then they'll do it I'm not going to say that's dirty but sometimes they take it to the extreme On the mental side of the game Everybody in the NBA knows how to play basketball or else they wouldn't be there But what separates the good players from the great players is their mental capacity not only to overcome their opponent but to get through the tough spots I always feel mentally stronger than any opponent I step on the same floor with He might have more talent than I do but I don't think anybody is mentally stronger than me I'll match wills with anybody On determination On Cheryl Miller Cheryl I got 39 Reggie that's great Yeah so how'd you do Uh I got 105 Thing was Cheryl didn't say it to be mean But damn 105 points in one game But I got my revenge a few years later We got out to the court and she said Your ball I told her she could have it first So she kind of crouched down made her usual strong first move got right past me and put up the shot Cheryl paused for a moment and then said in a real serious tone We're going to play Hors

Focus On: 100 Most Popular Centers (Basketball) Wikipedia contributors, Killer Crossover Tim Hardaway,2025-11-11 Considered one of the best point guards of his generation Tim Hardaway was a polarizing figure on the basketball court Known for his distinguished college career at UTEP Hardaway was selected in the first round of the 1989 NBA Draft by the Golden State Warriors He soon became a household name In Killer Crossover Hardaway shares stories from his tough upbringing in Chicago through his collegiate career and to the NBA As a part of Run TMC with fellow

Warriors Mitch Richmond and Chris Mullin he immediately established himself as one of the top players on the hardwood. Joining the Miami Heat in 1996 and along with teammates Alonzo Mourning, Dan Majerle, and Jamal Mashburn to name a few, he would become a main protagonist in one of the most contentious rivalries in all of basketball against the New York Knicks. A master trash talker and one of the best ball handlers, Hardaway shares what it was like playing basketball in the nineties against some of the greatest to ever play the game, including future Hall of Famers Michael Jordan, Shaquille O'Neal, Patrick Ewing, and Reggie Miller. Never shy to speak his mind, Tim "Bug" pulls back the curtain on the blood, sweat, and tears that went into becoming one of the most feared guards in the game and a future Hall of Famer. But with the good comes the bad, as Hardaway opens up about his hurtful and anti-gay comments in 2007 and how a single radio interview turned his life upside down. Though knocked down and painted as a hateful person, he adapted his crossover mentality to humbling himself and learning from his mistakes. Doing so, he became a proponent for the LGBTQ community, working closely with The Trevor Project and The YES Institute, as well as being the symbolic first signer of a petition to overturn Florida Amendment 2, allowing same-sex marriage in the state of Florida. *Killer Crossover* is not just a basketball biography; it is the story of a man who worked his way from humble beginnings to becoming an All-Star at the highest level, not to mention a father to a future NBA standout, as well as all the trials and tribulations that come along with being one of the best in the game. *Sociology of Sport* George H. Sage, D. Stanley Eitzen, Becky Beal, Matthew Atencio, 2023. Now in its twelfth edition, *Sociology of Sport* offers a compact yet comprehensive and integrated perspective on sport in North American society. Bringing a unique viewpoint to the subject, George H. Sage, D. Stanley Eitzen, Becky Beal, and Matthew Atencio analyze and in turn demythologize sport. This method promotes an understanding of how a sociological perspective differs from commonsense perceptions about sport and society, helping students to understand sport in a new way. *The SAGE Encyclopedia of Pharmacology and Society* Sarah E. Boslaugh, 2015-09-15. The *SAGE Encyclopedia of Pharmacology and Society* explores the social and policy sides of the pharmaceutical industry and its pervasive influence in society. While many technical STM works explore the chemistry and biology of pharmacology, and an equally large number of clinically oriented works focus on use of illegal drugs, substance abuse, and treatment, there is virtually nothing on the immensely huge business of Big Pharma of creating, selling, consuming, and regulating legal drugs. With this new Encyclopedia, the topic of socioeconomic, business, and consumer and legal and ethical issues of the pharmaceutical industry in contemporary society around the world are addressed. Key Features: 800 signed articles authored by prominent scholars are arranged A to Z and published in a choice of electronic or print formats.
