 NBA founded over 75 years ago is staging a 21st century takeover Watched in 215 countries and territories worldwide and
 with nearly one in three players born and trained overseas it is no longer just about America In this book Lindsay Sarah

 game to create a basketball breeding ground Including interviews with players sports journalists league directors and
 coaches past and present it uncovers the transatlantic networks and complex Franco American relations that have nurtured a
 mutual exchange of culture technical skill and knowledge These first hand accounts supported by media and government
