Christina Gopal, Valerie Orsoni, 2007-12 With the success of Your Ultimate Weight Loss Plan 30 Day Bootcamp we saw that there was a real need for reaching out to people and giving them effective yet healthful weight loss advice Providing daily nutrition and exercise to the body is a necessity Furthermore weight loss combats many disease risks as well diseases such as heart disease and diabetes which are quite prevalent amongst South Asians Indians We adapted this bootcamp to specifically reach out to the Indian population Meal suggestions and food ideas were catered to Indian tastes which are spice oriented Conceive Magazine, 2010 **The Illa Protocol 3rd Edition** M. D. Roberto Illa, 2010 The Illa Protocol answers the key questions about diabetes treatment which are not addressed by currently accepted dogma The published failures of

American Diabetes Association guidelines to halt or reverse disease progression has left medical practitioners confused and frustrated This book outlines a new approach to diabetes which results in much better patient outcomes Old concepts which have resulted in years of increased morbidity and mortality are exposed and replaced with practical principles which lead to success Illustrative original case reports are presented which demonstrate that not only diabetes but chronic kidney disease in the diabetic can be reversed at all stages in most patients The fundamental questions of what constitutes Type 1 vs Type 2 diabetes is discussed in terms of recent published reports and the author s case experience The initial series of laboratory tests which are needed to properly classify the diabetic and select the most effective therapy are outlined Diabetes cannot defined simply by elevation of blood sugar as stated by the American Diabetes Association Patients with hyperinsulinemic hypoglycemia nesidioblastosis can have elevated blood sugars which fit the official and prevailing definition of diabetes mellitus However they are the opposite of diabetics Their pancreatic beta cells produce too much insulin Diabetics have impaired insulin production or release from their beta cells A method of treatment of the diabetic with chronic kidney disease and ESRD is provided in this book that involves the use of oral medications Using the method of blood sugar control outlined and the medications suggested for the reversal of renal insufficiency the vast majority of diabetic patients can be saved from the tragic and expensive outcome of kidney dialysis The doctor should match your patient s kidney function to the right insulin or oral product

The Healthy Former Athlete Lauren Link, 2018-11-06 They say athletes suffer two deaths the one at the end of their lives and the one at the end of their collegiate or professional sports lives For an athlete to go from an athletic career to retirement can be a difficult transition Luckily Lauren Link RD CSSD has already dealt with this life change and with The Healthy Post College Athlete any former athlete can learn how to go from the discipline of weightlifting sessions and conditioning for a game or race to maintaining a healthy lifestyle without those familiar goals The book is targeted at those who are juggling a switch away from the intense competitive and routine oriented life of an athlete and shows how to apply the lessons learned from that time to life as a normal human Also included in the book are excerpts from Link s own blog that she started to document her transition from her collegiate athletic lifestyle along with lists and case studies to help contextualize the challenge in leaving the focus and discipline of an athletic life Link covers such ground as Modifying your diet based on normal human calorie expenditure with meal planning and grocery shopping Designing a routine and workout to stay fit and healthy Easy to prepare recipes that will help facilitate a healthy lifestyle Forming an identity outside of your sport Whether you re a professional athlete or just a person trying to be healthier this book will show you a path to living a better and healthier life With a humorous and self effacing tone Link will show you how to transition in The Healthy Post College Athlete My experience working with Skyhorse is always a positive collaboration The editors are first rate professionals and my books receive top shelf treatment I truly appreciate our working relationship and hope it continues for years to come David Fischer author
