are vying for Gladie's attention Spencer the playboy chief of police and Holden Gladie's secretive gorgeously muscled neighbor Still Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult She may have met her match and if she's not careful it could be her last The Wizard of Saws Five months have passed since Gladie Burger came to Cannes California to join her eccentric Grandma Zelda in the family matchmaking business and Gladie is quickly mastering the rules of attraction Her latest fix up is still going strong and Gladie's bank account is back in the black until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red Not only is self proclaimed psychic Luanda Laughing Eagle stealing Grandma Zelda's clients but Zelda is convinced that Luanda's ESP is total BS She tasks Gladie with exposing Luanda as a fraud but Gladie's attention is diverted when murder comes a calling Spencer Bolton the gorgeous chief of police and Gladie's on again off again flame wants her to stay out of the investigation and away from the deliciously chiseled detective who also aims to win Gladie's heart But the one thing Gladie's learned is that in business love and murder it's always personal Field of Screams Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda Gladie has had little success Involved on one level or another hot sex almost committed and crying in her pillow with three men Gladie distracts herself by giving up on matchmaking and starting a new career But when Gladie stumbles on body parts of dead baseball players all over town she's dragged into solving yet another murder mystery With her life in chaos and the killer getting closer Gladie has to come to terms with the fact that love is murder From Fear to Eternity It's still up in the air whether Gladie really has her psychic grandmother's gift but she's determined to finally give matchmaking her best shot She's also determined to give her new relationship with hottie Police Chief Spencer Bolton a shot that is if she can find him Despite her good intentions Gladie is being sued by a matchmaking client but even with bankruptcy around the corner that's not her biggest problem There seems to be a rash of dead senior citizens popping up at the tea shop owner's family home Gladie is recruited to find the murderer but this time she may have met her match and if she's not careful it could be her last West Side Gory Life is going great for Gladie Burger She's having lots of sex with her hottie boyfriend Chief of Police Spencer Bolton she's settled into her matchmaking career she's got a new car and it's been over two weeks since she's stumbled on a dead body It seems like she's finally got her life on track since she moved in with her psychic grandmother to help her with her matchmaking business But when a stomach ache proves to be more serious she finds herself in West Side Hospital preparing for surgery Befriending the woman in the next bed in her hospital room she becomes distressed when the woman vanishes Alerting the hospital staff they tell her that the woman never existed Has Gladie lost her mind or is something more sinister happening at West Side Hospital Scareplane Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton She's never flown before and she's not looking forward to the experience Her fear is heightened when a plane crashes into the house across the street But there's little time to think about it because their town is hosting a law enforcement conference where Southern California's finest are coming to discuss law

and order Everything is going to plan Spencer is hailed as a great police chief and Gladie is fixing up half of the town until one of the guests a famous police czar drops dead Now everyone is a suspect and Gladie is being prevented from investigating the death by the new police detective on the force a hottie female cop who thinks Gladie is enemy 1 and Spencer is marriage material It Happened one Fright Spencer might have marriage on his mind but Gladie is distracted by her best friend s troubles and a busy matchmaking month The father of Bridget s baby is threatening to take custody away from her and when he winds up murdered Bridget becomes the top suspect Now Gladie must juggle her own love life her matchmaking and proving that Bridget is innocent not to mention dealing with the town s attempt to break the world record for the largest Easter egg hunt But poking around is dangerous and Gladie could be next on the killer s hit list The Big Kill Progress is being made on Gladie s house and her impending wedding Meanwhile her best friend Bridget is ready to give birth But all of that takes a backseat to Gladie s discovery in her grandmother s attic about her father It looks like her father s motorcycle accident when she was a child was no accident and now Gladie is thrust into her father s world where his best friends could have been his murderers Will Gladie find the killer before she s next It s a Wonderful Knife It s wedding time in Cannes Gladie s wedding But once again love has to take a backseat to murder Will Gladie s wedding go off without a hitch Ha Just kidding Enjoy the mayhem as Gladie and Spencer finally say their vows and realize their happily ever after Ship of Ghouls Gladie and Spencer are finally married After they re gifted a honeymoon cruise they re on their way into international waters But the ship is less than luxurious and the ship s crew isn t what they seem When Gladie stumbles on a dead body the newlyweds are thrust into a life or death mystery Gladie s gift could come in handy to find the killer but she might find herself overboard before justice is served Road to Matchmaker A month before Gladie Burger moves to the small town of Cannes California to help in her grandmother s matchmaking business she s busy moving from one temporary job to the next Living in Los Angeles in a studio apartment over an Italian restaurant she works in a used book store doing inventory but she spends most of her time reading the collection of old murder mysteries After an accident involving the books Gladie has lost her memory and believes she s the detective in the last book that she read Determined to track down her arch nemesis Gladie finds herself in a real life mystery and an adventure of a lifetime Matchmaking Advice From Your Grandma Zelda The complete collection of Grandma Zelda s matchmaking advice from the bestselling Matchmaking Mysteries series All of her words of wisdom are here and as a bonus Yiddish definitions and introductions by Elise Sax and Grandma Zelda are included Zelda s humorous words of wisdom about love and life are a shot of happiness sure to brighten anyone s day **Home at Last** Judy Katschke,2018-02-13 Ben decides he wants his own pony in this eighth book of a chapter book series inspired by Marguerite Henry s Misty of Chincoteague Even though Ben is allowed to ride and groom his sister s pony Starbuck everyone knows Starbuck is really Willa s pony the two are inseparable as close as a girl and pony can be But then the kids discover a wild renegade pony plucking apples from a tree Ben names the pony Winesap but Willa doesn t want her brother to grow too

The Memory Thieves Series: Books 1 & 2, Joel Shulkin MD, 2024-03-12. Some memories are meant to be forgotten, especially when they're not yours. In this medical thriller series, Psychiatrist Cristina Silva is achieving miracles by prescribing a new memory recovery drug. Until one of her patients jumps from an eight-story window to his death. Book 1: Adverse Effects. Boston psychiatrist Cristina Silva understands her patients suffering better than most because she's lost her memories too. Desperate to become herself again, she pops the same experimental drug she prescribes to her patients. And like them, she remembers a little more each day. Until one of her patients, a successful accountant, jumps to his death. And as Cristina's memories return, with them come violent visions and an incessant voice in her head. Maybe the drug isn't safe after all. Then an enigmatic, possibly dangerous man appears at Cristina's bus stop. He seems to know more about her life than she does and says she holds a secret that puts her life in danger. If she wants to survive, Cristina must stay on the medication and unlock those memories before it's too late, even if the adverse effects of the drug could destroy her. Book 2: Toxic Effects. Neuropsychiatrist Cristina Silva receives a startling phone call from her contact at the FBI: an assassin is crisscrossing the country, killing anyone connected to the now defunct pharmaceutical company ReMind. People like Cristina, the literal femme fatale known as Dama Branca, is unsure what's preventing her from killing Cristina, but she senses their fates are entwined with any luck, not fatally. Cristina's spurned lover, Wilson, is investigating the suspicious deaths of local teens, and there are now terrified whispers of a hooded boogeyman.

called Sack Man And when Cristina s in danger Wilson is never far away With at least one killer in their wake they must quickly determine what s real and what s not Unlocking Cristina s memories could save many lives her own included
