

Which coupon is the BETTER DEAL?!

You are shopping at your local sporting goods store for equipment for your upcoming baseball season. You must decide which coupon would give you the "better deal" on each item below - the **RED** or **BLUE** coupon.

1. You desperately need a new catcher's mitt before the season starts. The mitt you pick out costs \$43.99. Which coupon should you use to purchase the catcher's mitt?
2. The bat you used last season is now too short for you, and you need the next size up in weight and length. However, that bat is expensive and costs \$159. Which coupon would save you the most money on your new bat?
3. Your feet have grown a ton since last season and you need to size up two whole cleat sizes! The cleats you want to buy cost \$49.99.

SHOW YOUR WORK below and then explain why either coupon (red or blue) could be used in this scenario.
