

The background of the book cover is a painting of a man in a grey suit, white shirt, and striped tie. Instead of a head, he has a two-tiered metallic robot head. The upper tier has two red circular lights and a small yellow and red indicator. The lower tier features a square screen with a needle gauge, two small yellow lights, and a larger red light. The man's right hand is extended forward, palm up, as if presenting the robot head.
