dream of bringing a pro team to a city best known for its music industry The journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It s a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn t know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none

First Season Bob Duff, 2017-10-03 The National Hockey League is celebrating its hundredth anniversary in 2017 2018 but Bob Duff's *The First Season* reveals how close the league came to folding in its very first year Set against the turmoil of the Great War and born out of a ruse to rid the league of reviled Toronto owner Eddie Livingstone the new league suffered from a series of crises from a shortfall of quality players due to military conscription to rival leagues and divided fan loyalties to the burning down of the Montreal Arena that was home ice to two teams But despite all this the league survived and became the worldwide standard for competitive hockey With chapters devoted to the first ever NHL playoffs and Stanley Cup championships in addition to team and player profiles and vintage black and white photos Duff's *The First Season* is essential reading for every hockey fan providing real insight about the first generation of hockey heroes **Journeyman** Sean

Pronger, 2012-11-06 Every young hockey player dreams of one day playing in the NHL of skating on a line with his hero and
