

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functionable.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

Mom Hacks Darria Long Gillespie,2019-02-19 100 self care hacks for any mom to eat right move more stress less and get a good night s sleep by a doctor who is also a mom Why is it generally accepted that motherhood comes at the expense of our health with all that weight gain fatigue and exhaustion It doesn t have to be that way What if your baby AND you could thrive together We cure diseases We create artificial ears using 3 D printers We solved how to pee in space We can figure this out and now Dr Darria has done just that An Ivy league trained physician and mom of two Dr Darria combed the latest in medicine psychology and holistic health for answers when her own health crises struck She now brings those solutions to moms everywhere For moms who just DontHaveTheTime or energy Mom Hacks gives you the specific smallest changes that yield the biggest impact for you and your child Every hack is a mini super charged solution with an immediate impact So you feel good lose the baby weight and are more present while raising thriving children in an entirely do able time saving with you in the trenches way Her humor and personal stories bring

warmth and encouragement when mothers need it most You can be the mother and woman you want to be and with Mom Hacks you don't have to listen to anyone who tells you otherwise It's time for a new mom world order *Make Money While You're Sleeping Peacefully: The Digital Asset Cash Flow Plan* Ahmed Musa ,2025-05-24 Let me ask you something What's better than making money Making it while you sleep Make Money While You're Sleeping Peacefully The Digital Asset Cash Flow Plan hands you the keys to a business that runs 24/7 without meetings clients breathing down your neck or trading time for scraps This isn't about get rich quick hype This is about building digital assets once that keep paying you forever Inside you'll discover The 3 types of digital assets that create nonstop cash flow pick one and go How to build income streams that stack even if you suck at tech The lazy genius way to automate everything and free your time Why most online hustlers stay broke and how to do the exact opposite Real world strategies to create launch and scale digital products that don't die after launch day If you're tired of being busy with no breakthrough If you want leverage lifestyle and income that doesn't depend on your daily grind This is your blueprint Because when your assets are doing the work You wake up richer every single morning How to Be Cross Eyed Jonathan Roseland,2019-01-01 There's that moment when you meet a new person and you can tell that they are just a bit disoriented by your weirdness You feel that familiar little pang of embarrassment and shame because you know how weird you must look to them You're physically imperfect So am I I know that moment as well as you do But you don't have to be cross eyed or have a conspicuous physical imperfection to enjoy this book Really thriving requires an uncommon set of barely legal Biohacking tools social dynamics strategies from the fringes of polite society and rapid mindset transformation technologies which this lifehacking manifesto delves deeply into This book is especially for that one or two percent of the population who have a glaring physical defect Which I fall into I'm cross eyed with Strabismus if you're reading this perhaps you are too There are certainly people out there with more conspicuous physical imperfections who have it worse than I do However the eyes are the window to the soul they really are a part of nearly every important human interaction Not having normal eyes has been a disadvantage that I've needed to develop a specific set of skills and life strategies to overcome I was talking to my lovely fiancée about this book and she asked me if the purpose of the book was to help the self esteem of people with physical imperfections Not really This book is more about the lifehacks that I've employed over the past 10 years strategies methods and tools that really work to help you overcome the challenge of a physical imperfection and thrive These things will likely improve your self esteem but they will also work if you have low self esteem or no self esteem or too much self esteem as I'm sometimes accused of having Self esteem is not my focus My focus is on things that work This is not your typical self help book I've had a pretty interesting life I've seduced a politician's daughter in Medellin Colombia and I hung out with spies in Kyiv Ukraine I've almost died underwater twice I participated in a bank robbery and I lost my virginity to a spy yes really From having sex in a brand new Maserati and getting in high speed car chases to being deported from South American countries and representing the US Presidential candidate Donald J Trump I've

found the happiness that I didn't give a damn about and realized my dream of becoming an adventuring philosopher I'm not a theorist in the business of making generalizations The tactics and tools presented here are for rigorous practitioners ethical hedonists and open minded self experimenters I may sound like quite the pompous pontificator but I'll offer no apologies because storytelling is the best way to impart the unconventional mindset that saved me from mediocrity and the biohacks that enabled me to defy my selfish genes If you're bored of the tired problem generalization platitude strategy formula that most self help books follow you'll enjoy this memoir of adventures failures and unexpected successes across three continents I'll share with you some powerful tools for transformation biohacking smart drugs flowstate red pill mindset and more with which I've managed to pack several lifetimes worth of peak experiences into a single decade [The Hahnemannian Monthly](#)
