Foldable Phone Latest Returns:

Return to Nantian Taylor Service, 2024-05-04 Guy followed Shen Jia's gaze sensitively and just like that she saw June in the booth next door. The booth next door has the same specifications as the one they booked and it is also a table for twenty-five people. There is only one boy on the huge gray sofa. The boy was about the same age as them, wearing black short sleeves, sitting in an awkward posture with his long legs open, leaning lazily on the spacious sofa. The cheerful and lively atmosphere around him seemed to have nothing to do with him. He was holding an iPad in his hand, his head lowered, not knowing what he was looking at. Guy took a look and realized that the boy didn't seem to be waiting for someone or having a companion. He probably had the denim jacket on the sofa that belonged to him as well. Perhaps sensing the eyes here, the boy also raised his eyes and looked over. He has particularly three-dimensional facial features with high brow bones, deep eye sockets, and a straight bridge of nose. At first glance, you will feel that his eyes are slightly aggressive and his thoughts are deep and unpredictable. Half of his face was hidden in the light purple spotlights flashing in the bar, and his smile was cut by the lights to look inexplicably evil. He raised his hand and casually greeted Shen Jia and the others.

Return 2 Terror David Lovett, 2014-10-12 Lieutenant Commander John Graves and SEAL team four are sent to the Middle East in a covert operation to destroy three weapons of mass destruction stolen from the Israelis. Upon reaching their destination, only one thermal displacement device is found, and the mission is a failure. Thousands, perhaps millions of American lives back home are at stake. Once back in the U.S., Graves is forced into the FBI since he's the only American who has seen and handled the destructive device. He teams up with lesbian Senior Special Agent Jill Mayfield, and together they track the team of terrorists from Canada to Montana, Las Vegas, and California, following a trail of death. As their search continues, they have several run-ins with Tony Santini, head enforcer for the L.A. mob. Graves and Santini become instant enemies. Imaad, one of the terrorists, is an insane, cold-blooded killer. In the book's explosive climax, shocking events occur that bring on the final showdown between John and Jill, Imaad and Tony.

Return for Vengeance Dan Afflerbach, 1999-12 Framed for a murder and hunted by the Russian Mafia, Brett Jorgensen's life and future had been destroyed as he looked death in the eye. He had only two choices left. His obsession for vengeance made that choice clear. He had to return to Seattle and expose the money laundering operation that he had unknowingly become a part of. Then he had to exact revenge from a former partner and a ruthless Russian who had vanquished more lives than just Brett's. The problem he faced was to succeed, he must test the love of a woman and trust of an old friend. He was about to proceed down a path for which there was no turning back.
