AI Explains: TikTok Alexis Piani, 2025-06-01 TikTok is more than just an app on your phone it's a global phenomenon that has fundamentally reshaped digital culture entertainment and even politics in just a few short years From its origins as Douyin in China in 2016 a product of ByteDance's ambitious AI first vision it embarked on a rapid ascent culminating in its explosive global expansion following

the strategic acquisition and merger with Musical.ly in 2018. This wasn't just a simple integration; it instantly catapulted TikTok into the mainstream in key Western markets, providing the critical mass needed for its sophisticated recommendation algorithms to truly take hold on a global scale. We see the viral dances, the fleeting trends, and the endless stream of personalized content, but understanding how this platform achieved such unprecedented dominance and why it exerts such profound influence requires looking beneath the surface. This book delves into the intricate layers of the TikTok ecosystem, moving beyond the viral moments to explore the technological engine, corporate strategy, and societal impacts that define the platform. You'll gain insight into the powerful AI algorithms that curate the addictive For You feed, shaping everything from music charts to political discourse, and examine the complex business model that translates billions of minutes of attention into a formidable economic force. We navigate the turbulent waters of data privacy concerns, national security fears, and the intense geopolitical pressures, including the legislative actions seen in 2024 that challenge the platform's very presence in countries worldwide. Drawing on research and data, we critically assess its influence on mental health, content moderation, and its evolving role in the global information ecosystem. Whether you're a student of media or technology, a business professional navigating the digital landscape, a parent concerned about online safety, or simply someone curious about the forces shaping modern life, this book offers a comprehensive and nuanced perspective. It provides the knowledge needed to understand not just what TikTok is, but how it works, why it matters, and the complex challenges and opportunities it presents. By exploring its history, technology, culture, and controversies, you will gain a clearer picture of this powerful platform and its enduring influence on the digital age.

275 Viral Vegan Recipes Robert Reese, 2025-06-22 The problem with viral recipes is that they live in the moment: they pop off, get shared a million times, and then vanish into the noise of the next viral trend. They're spread out across platforms, each with its own way of organizing content, or not. Your Instagram Saved folder is cluttered with 400 posts; TikTok doesn't make it easy to categorize videos, and YouTube's Watch Later list is an endless scroll of half-watched chaos. Even if you do manage to find the right video again, good luck pausing it 12 times to jot down the ingredients because the creator posted the measurements only in the comments or flashed them on screen for two seconds. That's exactly why this book exists. It's a clean, curated home for those hard-to-pin-down must-try vegan recipes that took over your feed. Instead of trying to track them across five platforms, they're all here, condensed, organized, and written with real measurements, clear instructions, and no fluff. This book saves you from the chaos of bookmarks, the frustration of disappearing videos, and the guilt of "I meant to try that." Whether you're looking for the ultimate vegan mousse, no-bake snacks, or party-ready appetizers, you'll find the viral hits in one easy-to-use place, no scrolling necessary.

Milestone Celebrations in the Age of Social Media Carly Gieseler, 2022-09-29 In the decade spanning 2010-2020, social media showcased growing celebrations of lifetime milestones across multiple platforms. Utilizing theoretical and methodological approaches based in cultural studies, *Milestone Celebrations in the Age of Social Media* analyzes social media phenomena, including gender reveal

parties promposals publicized marriage proposals divorce celebrations and the rites of the Death Positive Movement Carly Gieseler illustrates how the public sharing of major life events on social media platforms reshapes the way we communicate about topics including courtship birth marriage divorce and death While each trend represents a unique occasion these celebrations share themes inherent to our human experience in the digital age Culminating in the wake of the pandemic and its impact on each communal celebration this book illustrates one of our most vital human drives connection

Social Media Marketing 2025 Aiden Cole Carter,2025-08-11 Unlock explosive growth in 2025 and stay ahead in 2026 with Social Media Marketing 2025 Dive into AI Driven Strategies proven short form video mastery TikTok Instagram Reels YouTube Shorts trend jacking secrets content first funnels and influencer marketing that actually sells Ideal for entrepreneurs marketers small business owners and creators this guide reveals how to dominate algorithmic platforms automate content with generative AI and monetize with evergreen funnels all without feeling salesy What you ll learn How to grow on TikTok IG YouTube in 2025 fast AI powered content planning scheduling repurposing Data driven influencer strategies that convert Monetization tactics affiliate sales ads no website funnels Library friendly deals with Voices by INAudio Evergreen growth frameworks to future proof for 2026 Keywords packed AI marketing TikTok growth Instagram Reels strategy YouTube Shorts content funnel influencer ROI social commerce evergreen content generative AI no website business Findaway Voices Spotify audiobooks

A Philosophy of Communication of Social Media Influencer Marketing Kati E. Sudnick,2023-11-28 Social media influencer marketing emerged in Web 2 0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and sponsored content for their followers This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach Kati E Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch s narcissistic culture Marshall McLuhan s global village Daniel Boorstin s human pseudo event Jacques Ellul s propaganda and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt s social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool Sudnick applies these concepts to three major case studies surrounding Audible BetterHelp and Fyre Festival drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social Ultimately the author argues for a more aware and conscientious public when it comes to engaging with influencers online Scholars of communication philosophy and media studies will find this book of particular interest
