There are winners and losers in the age of digital capitalism This book is an essential guide for anyone who wants to critically understand how we got to digital capitalism and capitalist social media what we can do about it and what a democratic public sphere looks like Facebook vs TikTok Isaac Berners-Lee, AI, 2025-02-12 Facebook vs TikTok explains the fierce competition between two social media giants and its impact on global communication cultural trends and business The book explores the distinct strategies of these platforms concerning content creation user engagement and data utilization One intriguing insight is how TikTok's emphasis on short form video content has reshaped digital marketing strategies forcing even established platforms like Facebook to adapt It also highlights the influence of both platforms on cultural trends and social movements The book examines the evolution of social media business models and advertising ecosystems which are vital for anyone involved in digital marketing It presents a comparative perspective emphasizing the contrasting approaches of Facebook and TikTok Beginning with the origins of both platforms the book progresses to analyze user engagement cultural impact and advertising strategies The analysis is supported by financial reports market research and user behavior studies offering readers practical guidance for navigating the evolving digital landscape *TikTok* D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world Moreover it's the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry In the first comprehensive exploration of TikTok Kaye Zeng and Wikstrom provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth They provide an extensive overview of TikTok's functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video Four Battlegrounds Paul Scharre, 2023-02-28 An NPR 2023 Books We Love Pick One of the Next Big Idea Club's Must Read Books An invaluable primer to arguably the most important driver of change for our future P W Singer author of *Burn In* An award winning defense expert tells the story of today's great power rivalry the struggle to control artificial intelligence A new industrial revolution has begun Like mechanization or electricity before it artificial intelligence will touch every aspect of our lives and cause profound disruptions in the balance of global power especially among the AI superpowers China the United States and Europe Autonomous weapons expert Paul Scharre takes readers inside the fierce competition to develop and implement this game changing technology and dominate the future *Four Battlegrounds* argues that four key elements define this struggle data computing power talent and institutions Data is a vital resource like coal or oil but it must be collected and refined

Advanced computer chips are the essence of computing power control over chip supply chains grants leverage over rivals Talent is about people which country attracts the best researchers and most advanced technology companies The fourth battlefield is maybe the most critical the ultimate global leader in AI will have institutions that effectively incorporate AI into their economy society and especially their military Scharre's account surges with futuristic technology He explores the ways AI systems are already discovering new strategies via millions of war game simulations developing combat tactics better than any human tracking billions of people using biometrics and subtly controlling information with secret algorithms He visits China's National Team of leading AI companies to show the chilling synergy between China's government private sector and surveillance state He interviews Pentagon leadership and tours U S Defense Department offices in Silicon Valley revealing deep tensions between the military and tech giants who control data chips and talent Yet he concludes that those tensions inherent to our democratic system create resilience and resistance to autocracy in the face of overwhelmingly powerful technology Engaging and direct *Four Battlegrounds* offers a vivid picture of how AI is transforming warfare global security and the future of human freedom and what it will take for democracies to remain at the forefront of the world order

TikTok Broadway Trevor Boffone, 2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app expanding musical theatre into a purely digital realm that spills into other non digital aspects of U S popular culture *Asian Americans at the Margins*

H. Roy Kaplan, 2025-02-07 As the United States wrestles with the rising tide of hate crimes Asian Americans have been disproportionately victimized From the infamous Chinese Exclusion Act of 1882 to contemporary attempts to restrict Asian land ownership Asian Americans continue to be regarded as different aliens in their own country Why are they still regarded as outsiders despite their scientific cultural and other contributions to U S society This book exposes the origin and current perceptions of myths and stereotypes about Asian Americans with a look at prospects for their recognition and acceptance by the dominant white society New Developments in the Trilateral Relationship between the United States, Taiwan, and China

Charles K.S. Wu, Yao-Yuan Yeh, 2025-03-15 Taiwan has become a new flashpoint in Sino U S relations in recent years The nation just concluded its presidential and legislative elections in January 2024 The incumbent Democratic Progressive Party DPP won a pyrrhic victory with DPP keeping the presidential seat but losing the majority in Taiwan's Legislative Yuan Congress The political status of Taiwan is one of the few if not the only issues that have won bipartisan support *New Developments in the Trilateral Relationship between the United States Taiwan and China* analyzes the three way relationship and raises numerous questions that are urgently awaiting answers The book advances our understanding of some of the pressing issues in this relationship These questions include but are not limited to how does the U S public view the trade war against China How do they perceive China in general What extent could the Indo Pacific Economic Framework for Prosperity

IPEF support U S economic competition with China As for Taiwan to what scope do China s campaigns infiltrate and influence political attitudes Considering its geographic proximity to Taiwan how does the immigration from Hong Kong influence Taiwan
