Examinations and Analysis of Sequels and Serials in the Film Industry Seçmen, Emre Ahmet,2023-04-25 There are many elements in the concept of visual continuity and they are all interrelated In films or film series that are described as sequels establishing a visual integrity relationship between films comes to the fore The concept of the sequel appears in two ways Sometimes while the ideas are scripted the story is divided into more than one part Sometimes the story is planned as a single movie and after a certain time it can be realized as a follow up movie film for different reasons In both systems of expression it is necessary to seek harmony between all elements of visual design *Examinations and Analysis of Sequels and Serials in the Film Industry* examines certain contents through the concepts of cinematography and narrative focusing more on the practical side of cinema and partially on the theoretical side It examines samples sequels serials and trilogy universes on the axis of cinematography and narration Covering topics such as film landscape repeated narrative elements and storytelling this premier reference source is an excellent resource for film industry workers film students and educators sociologists librarians academicians and researchers **Funworld** ,2007-07 *The Glocalization of Shanghai Disneyland* Ni-Chen Sung,2021-04-11 Focusing on Disney's production of Shanghai Disneyland this book examines how the Chinese state and the local market influence Disney's ownership and production of the identities and the representations of Shanghai Disneyland Qualitative methods are here applied to combine both primary and secondary data including document analysis participant observation and in depth interviews Shanghai Disneyland is purposely created to be different from the other Disneylands under the authentically Disney and distinctly Chinese mandate In order to survive and thrive in China Disney carefully constructs Shanghai Disneyland as Disneyland with Chinese characteristics Previous studies tend to link Disney

with cultural imperialism however this book argues that it is not imperialism but glocalization that promotes a global company's interests in China. In particular the findings suggest state capital led glocalization glocalization led by economic capital of the state direct investment and economic capital with the state market potential. Furthermore the four categories of glocalization with different conditions considerations and consequences illustrate various global local dynamics in the process of a global formation of locality. The Glocalization of Shanghai Disneyland will appeal to students and scholars of sociology communication studies business studies and Asian studies more broadly.
